

POLICY STATEMENT
Commonwealth of Pennsylvania • Department of Corrections

Policy Subject: Centralized Clearances		Policy Number: 1.1.4
Date of Issue: September 29, 2014	Authority: Signature on File John E. Wetzel	Effective Date: October 27, 2014

I. AUTHORITY

The Authority of the Secretary of Corrections to direct the operation of the Department of Corrections is established by Sections 201, 206, 506, and 901-B of the Administrative Code of 1929, 71 P.S. §§61, 66, 186, and 310-1, Act of April 9, 1929, P.L. 177, No. 175, as amended.

II. APPLICABILITY

This policy is applicable to all facilities operated under the jurisdiction of, or conducting business with the Department of Corrections, Department employees, volunteers, contract personnel, visitors and inmates.

III. POLICY

It is the policy of the Department to ensure the security of the NCIC/CLEAN/JNET Systems and that staff comply with Federal, State, and statutory regulations. To ensure the safety and security of all Department facilities, as well as the community, the Department shall monitor the access of all individuals and the egress of all inmates from its facilities. This monitoring includes all information available through the NCIC/CLEAN/JNET Systems or any other electronic informational database.

IV. PROCEDURES

All applicable procedures are contained in the procedures manual that accompanies this policy document.

V. SUSPENSION DURING AN EMERGENCY

In an emergency or extended disruption of normal facility operation, the Secretary/designee may suspend any provision or section of this policy for a specific period.

VI. RIGHTS UNDER THIS POLICY

This policy does not create rights in any person nor should it be interpreted or applied in such a manner as to abridge the rights of any individual. This policy should be interpreted to have sufficient flexibility to be consistent with law and to permit the accomplishment of the purpose(s) of the policies of the Department of Corrections.

VII. RELEASE OF INFORMATION AND DISSEMINATION OF POLICY

A. Release of Information

1. Policy

This policy document is public information and may be released upon request.

2. Confidential Procedures (if applicable)

Confidential procedures for this document, if any, are not public information and may not be released in its entirety or in part, without the approval of the Secretary of Corrections/designee. Confidential procedures may be released to any Department of Corrections employee on an as needed basis.

B. Distribution of Policy

1. General Distribution

The Department of Corrections' policy and procedures shall be distributed to the members of the Central Office Executive Staff, all Facility Managers, and Community Corrections Regional Directors on a routine basis. Distribution of confidential procedures to other individuals and/or agencies is subject to the approval of the Secretary of Corrections/designee.

2. Distribution to Staff

It is the responsibility of those individuals receiving policies and procedures, as indicated in the "General Distribution" section above, to ensure that each employee expected or required to perform the necessary procedures/duties is issued a copy of the policy and procedures either in hard copy or via email, whichever is most appropriate.

Section 1 – Systems Use and Security

A. General

National Crime Information Center/Commonwealth Law Enforcement Assistance Network/Pennsylvania's Justice Network (NCIC/CLEAN/JNET) systems shall be accessed by trained personnel who requires this access for the routine operations of their position. Information shall be utilized for official purposes and shall be disseminated to Department staff who have a legitimate need-to-know/right-to-know, and shall not be disseminated to any outside source, unless shared with another criminal justice agency during the course of an official investigation/proceeding. Protected or restricted information must be secured according to statute and policy.

B. Systems Use

1. Inmates – Systems shall be queried to determine existing criminal history, disposition of charges, outstanding warrants, detainers, extradition and any other relevant information as required in accordance with Department policy **11.5.1, "Records Office Operations."**
2. Inmate Visitors – Systems may be routinely accessed to assist in the identification or approval of visitors on the inmate's visitation list.
3. Employment – Systems shall be accessed to determine the suitability of potential employees and/or the continuation of employment, i.e., promotion, transfer, internal investigation, etc.
4. ***Non-Departmental Staff Access Requests – System access is to determine approval for issuing the security clearance of those who may enter or conduct business in a Department facility.***
5. Investigations – Systems may be accessed during the course of any inquiry, formal or information, into criminal/administrative incidents or allegations of criminal/administrative wrongdoing.

C. Systems Security

1. The data stored in and available through the NCIC/CLEAN/JNET systems or related electronic informational databases, is documented criminal justice information and must be protected to ensure correct, legal, and efficient dissemination and use. The systems must be secure from any unauthorized use. Non-public criminal history information or restricted information obtained through these systems may not be transmitted through non-encrypted electronic transfer. An audit trail must be implemented for all criminal history information extracted from NCIC/CLEAN/JNET. Each Facility Manager shall ensure that only trained and certified operators are authorized direct access to these systems. Only those Department personnel who have met all state/federal requirements shall have indirect access to restricted information obtained directly from these systems.

1.1.4, Centralized Clearances Procedures Manual
Section 1 – Systems Use and Security

2. The data stored and available through NCIC/CLEAN/JNET is **CONFIDENTIAL** and must be treated accordingly. Any unauthorized request or receipt of restricted material could result in administrative, civil, or criminal proceedings.
3. NCIC/CLEAN/JNET information may only be secondarily disseminated to another authorized Criminal Justice Agency on a right-to-know/need-to-know basis, **for official purposes only**, and only when in conjunction with a joint investigation. Release of any information secondarily disseminated to another Criminal Justice Agency during the course of a joint investigation must be documented.
4. Criminal history extracted from these systems may never be disseminated to any non-criminal justice agency or individual. Destruction records will be maintained for all CHRI extracted from the system.
5. Questions relating to the operation of NCIC/CLEAN/JNET, policy modifications or dissemination of this computerized information shall be directed to the Central Office System Agency Coordinator/JNET System Agency Coordinator (TAC/JTAC).
6. Each facility shall designate a CLEAN/JNET Field Coordinator as the liaison to the TAC/JTAC for NCIC/CLEAN/JNET operations. ***An alternate Field Coordinator is also suggested. These individuals must be experienced certified CLEAN and JNET operators who will be responsible for on-site training, testing and troubleshooting.***
7. Each facility shall maintain a sufficient number of certified operators to ensure 24-hour coverage for the Control area, as well as normal operational routine of the facility.

Section 2 – Information Requests and Dissemination

A. Information Requests

The NCIC/CLEAN/JNET systems shall be queried as part of this process to determine suitability of all potential Department employees and ***non-department individuals requesting access into Department facilities***. The system may also be used in subsequent instances of investigation, review, promotion, transfer, etc.

1. The facility Human Resource Office is responsible for the initial background
2. All requests for Centralized Clearances ***for a single facility*** are the responsibility of the facility Security Office, which may be supplemented by the Centralized Clearance Unit (CCU).
3. ***Clearances for the PA Prison Society, Pennsylvania Board of Probation and Parole (PBPP), contract service providers and agency temps will be the responsibility of the CCU.***
4. ***Clearances for Central Office projects may be submitted to CCU directly through the respective Bureau's designated liaison.***
5. Request for routine inmate information is the responsibility of the Inmate Records Office.
6. All other requests for restricted or protected information from NCIC/CLEAN/JNET systems must be pre-approved by an authorized source and only in conjunction with an official purpose. ***These requests should be submitted to the local facility Security Office or the CCU.***

B. Dissemination of Information

1. The Records Office is responsible for the dissemination of all facility requests for NCIC/CLEAN/JNET information extracted from the **DC-15**. Dissemination of information is the oral, written, or electronic transmission or disclosure of restricted/protected/criminal history information extracted from the NCIC/CLEAN/JNET System. This information shall be used by the Department for official purposes only. Any secondary dissemination of this information to a non-criminal justice agency or individual is strictly prohibited. Secondary dissemination includes, but is not limited to, visual, oral, electronic or written transmission of this information. Secondary dissemination of this information shall be logged on the **Inmate Dissemination Sheet (Attachment 2-A, Page 1)** for control purposes, when queried and/or destroyed.
2. ***Secondary dissemination for all others will be the responsibility of the respective office and shall be logged on the Non-Inmate Dissemination Sheet (Attachment 2-A, Page 2).***

1.1.4, Centralized Clearances Procedures Manual
Section 2 – Information Requests and Dissemination

3. Any individual who is requesting copies of his/her own criminal history records to determine completeness and accuracy, or for a non-Department official purpose shall be referred to the Pennsylvania State Police (PSP) Repository via PSP form **SP 4-164, Request for Criminal Record Check (Attachment 2-B)**.
4. Maintenance of dissemination/destruction logs for all **secondary dissemination requests** from these systems is the sole responsibility of the **individual who is providing this information**. These individuals are responsible for all security and expungement requirements.

C. Reproduction of NCIC/CLEAN/JNET Information

1. Inmate Records
 - a. The Records Office is responsible for the reproduction of all facility requests for NCIC/CLEAN/JNET information for an inmate. A dissemination sheet shall be appended to each **DC-15** in the Identification Section.
 - b. Secondary dissemination of this information is prohibited without notification to the Records Office. All reproduced copies of Criminal History Record Information Act (CHRIA) information shall also be stamped in red with the official designated disclaimer and logged as required.

2. General

Criminal history inquiries conducted on non-inmates shall be documented in compliance with the rules of dissemination/destruction. Responsibilities shall include appropriate security, logging, and disposal requirements.

Section 3 – Retention and Expungement

A. Retention of Information

1. Inmate Records

The **DC-15** shall contain the most recent criminal history record available on the inmate. ***Actual copies of an inmate's RAP sheet should not be retained within the DC-15.***

2. Human Resources

For those candidates appointed to positions within the Department, the original NCIC/CLEAN/JNET inquiry responses shall be forwarded with the employment package to the Central Office Bureau of Human Resources (BHR) for processing and retention. ***Staff or candidate queries should be conducted using the purpose code "J" for criminal justice employment.*** The facility shall not retain copies. Criminal history information extracted from these systems and incorporated into reports of any form will not be disseminated to a non-criminal justice agency.

3. Security (Facilities)

When conducting centralized clearance checks for security suitability, the original response shall be retained until determination of approval/disapproval is made. This electronic response to the NCIC/CLEAN/JNET inquiry shall then be destroyed. Criminal history responses generated as the result of an official investigation may be retained pending the conclusion of the investigation and the disposition of all charges. The NCIC/CLEAN/JNET response shall be destroyed when the information is no longer relevant or necessary to the goals and objectives of the investigation or the agency.

4. Central Office/Community Corrections Centers (CCCs)/Training Academy/Community ***Contract Facilities (CCFs)***

Criminal history inquiry response maintained by Central Office/CCCs/Training Academy/***CCFs*** may be retained until the data is no longer relevant or necessary to the goals and objectives of the Department, the data has become obsolete making it unreliable for present purposes, or the data cannot be used for strategic or tactical intelligence purposes. All queries, dissemination, and destruction of information shall be documented according to state/federal regulations, Department policy, and PA statute. ***Only those individuals within CCFs who have been fingerprinted and cleared for Criminal History access to information extracted from these systems, shall be eligible to review this information.***

B. Expungement

1. Upon receipt of official notification of expungement, the Department shall remove any evidence of said criminal history from Department documents. This expungement order

1.1.4, Centralized Clearances Procedures Manual
Section 3 – Retention and Expungement

shall be forwarded to all agents who were recipients of this disseminated information. Once the information is expunged, the expungement order shall be destroyed.

2. Responsibilities include appropriate security, logging, and disposal requirements.

Section 4 – Centralized Clearance Check Procedures

A. Candidate

1. The candidate (civilian who is requesting clearance) is responsible for completing **Section A** on the **Centralized Clearance Check Information Request Form (Public)** which is available on the Department's public website (www.cor.pa.gov). Third parties may not **complete** forms on the candidate's behalf without the candidate's validation of the final document. If additional space is needed, the candidate may use additional paper. All fields in **Section A** shall be completed by the candidate including **his/her** social security number. If the candidate has not been issued a social security number, **he/she** may provide **another form of** federal identification information such as a passport, visa, or alien registration information. If particular information does not apply **to the candidate**, the candidate should indicate N/A in **the applicable section of the form**. Omission of pertinent information or **the** falsification of information shall be grounds for immediate disapproval.
2. A clearance is only valid for a maximum of 24 months for volunteers, agency temps, mentors, reentry service providers, contract service providers, Pennsylvania Board of Probation and Parole (PBPP) **staff**, and PA Prison Society **official visitors and** may be issued for shorter periods. Clearances for all others who require recurring access may be approved for a maximum of 12 months, however, the length of any clearance approval should always represent the period that the individual actually requires access. **(28 C.F.R. §115.17 [e] Contractors)**
3. It is the responsibility of the candidate to renew his/her clearance before its expiration. For those **individuals** who have been issued a Department photo ID, the **expiration of his/her** clearance or photo ID **will** result in an alert being generated on the biometrics front panel during the check-in process. Each facility, to include the Centralized Clearance Unit (CCU) and the Training Academy, may designate the length of time required to process **clearance** requests.
4. All non-Department staff must have an active clearance before they are issued/reissued a Department photo ID.
5. The candidate has three options when selecting the level of clearance he/she is requesting. **The clearance options are as follows:**
 - a. a single facility clearance **for which** the facility must be identified;
 - b. a multi-facility clearance **for which all of the** facilities that **the candidate requests** authorized approval for access during the clearance period must be identified; and/or
 - c. a statewide clearance (when requesting this level, access is required at every Department facility, otherwise, a multi-facility **clearance** should be selected and all **of the** requested facilities **must be** identified).

1.1.4, Centralized Clearances Procedures Manual
Section 4 – Centralized Clearance Check Procedures

6. Additional facilities may be added to any single or multi-facility clearance **by the CCU** when requested by the **facilities or the** Central Office Security Office.
7. The **Centralized Clearance Check Information Request Form (Public)** **contains** a signature line **in** which the candidate **acknowledges that he/she** completed the form, agrees that the information contained in the application is accurate, and **agrees** that **he/she** assumes all **of the** risks and liabilities **associated with entering the applicable facility or facilities**.

NOTE: Any civilian who has been **granted a clearance to access a facility**, through the Centralized Clearance process, shall assume all **of the** risks **associated with entering** the **applicable** facility. **These civilians** shall be supervised by Department staff at all times **while in a Department facility**. The Facility **Managers** may waive escort requirements for contract service providers. Common carrier vendors or emergency **delivery persons** must be supervised by Security staff **when** inside the secure perimeter **of the facility or by** Department staff when outside the secure perimeter.

8. Full disclosure of **all** relationships with inmates confined **in any** Department **facility** is required. **Such disclosable relationships with inmates shall include**, but **are** not limited to, visitation **with**, receipt of phone calls **from**, money transfers **to or from**, **and/or**, written correspondence **with an inmate**.
9. Completed forms should be hand delivered, mailed, or sent **via email** to the Department staff requestor for review and submission to the facility Security Office or the CCU.

B. Requestor (Department Staff Member)

The **Requestor is an** authorized Department staff member who is endorsing and sponsoring the candidate's clearance request. The period of access **requested** must be justified **in accordance with the** specific event **for which access is being requested**. Non-Department staff may not act as Requestors. The Requestor's responsibilities include the following:

1. informing the candidate that the **Centralized Clearance Check Information Request Form (Public)** is available on the Department's public website at www.cor.pa.gov;
2. reviewing **Section A** of the form to ensure that the candidate has a legitimate reason for requesting the clearance;
3. ensuring that the category and **facility or** facilities that the candidate is requesting access to are appropriate. (**For example**, if the individual is applying as a potential volunteer but has not been approved for this category status, the **Requestor** should indicate this in the comments field in **Section B**);
4. reviewing the form for any incomplete/illegible fields. (**If any incomplete/illegible fields are identified**, the form will be returned **to the candidate** for verification of the information **in question** and the **approval** process will be delayed **as a result**);

1.1.4, Centralized Clearances Procedures Manual
Section 4 – Centralized Clearance Check Procedures

5. completing **Section B** on the **Centralized Clearance Check Information Request Form (Public)** (This section **of the form** must be completed in its entirety and must identify the specific event **for which clearance is being requested, the period of time/dates for which** access **is** actually required, **and/or** the nature of the access **required**. Some examples might **include**: softball team, musical group, or weekly delivery. The **Requestor** should also indicate if there are special provisions **applicable to** the candidate such as “outside secured perimeter only.” (**The inclusion of** specific documentation in **Section B** by the **Requestor** will help to expedite the clearance **approval process** for the **approving** authority);
6. forwarding all **Centralized Clearance Check Information Request Forms (Public)** to the facility Security Office in the time frame acceptable to the **applicable** facility. (Requests for clearances from Central Office may be **sent** directly to the CCU’s secured fax or CCU’s email account [CR, Centralized Clearance] after the authorized Department Requestor has completed **Section B of the form**. **Section B** must be completed by the Requestor or the form will not be processed. **The Requestor should** not retain personal copies of **submitted forms**);
7. **completing** the period of access field to reflect a legitimate expiration date. (A **request form for a** one-time performance should **contain** a single date **of requested access**. Contract service providers, volunteers, and PA Prison Society Official Visitors may be approved for **a period of access** up to 24 months. All other recurring visitors may be approved for a maximum of 12 months); and
8. notifying the Facility Security Office or the CCU when a clearance should be inactivated due to voluntary separation or loss of privileges. (The clearance and any issued Department photo ID must be deactivated.)

C. Consistent with the Prison Rape Elimination Act (PREA)

1. Prior **to the engagement** of **any** contractors, **the contractor and all of the contractor’s employees and/or subcontractors that may have contact with inmates** will be investigated to ensure that the Department does not enlist the services of any **person(s)** who:
 - a. has engaged in sexual abuse in a prison, jail, lockup, community facility, juvenile facility, or other institution, as defined in 42 U.S.C. §1997 (**28 C.F.R. §115.17 [a][1]**); and/or
 - b. has been convicted or civilly or administratively adjudicated for engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse. (**28 C.F.R. §115.17 [a][2] and [3]**)
2. The Department shall **also** consider any incidents of sexual harassment **when** determining whether to enlist the services of any contractor who may have contact with inmates. (**28 C.F.R. §115.17 [b]**)

3. ***If a contractor or the contractor's employee or subcontractor indicates on the Centralized Clearance Check Information Request Form (Public) that he/she has worked in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution, as defined in 42.U.S.C. §1997, the Requestor shall send a PREA Current/Prior Employer Letter (Attachment 4-A) to that candidate's previous employer, wait two weeks for a response from the employer, document the request for information, and provide that documentation to the facility Security Office. (28 C.F.R. §115.17[c])***

D. Facility Security Office

1. ***If a candidate requests a single facility clearance, the Centralized Clearance Check Information Request Form (Public) shall be forwarded to the facility Security Office for processing in its entirety. Security Office staff shall enter the data into the centralized clearance database and review all interfaced Department electronic informational databases before the individual's request for clearance is approved/disapproved. If the candidate's information is already in the centralized clearance database, the appropriate facility Security Office staff member shall make any necessary updates to the database. The appropriate facility Security Office staff member shall also complete Section C of the Centralized Clearance Check Information Request Form (Public) and retain the form in a secure location during the clearance period. Upon the expiration of the clearance period, the form shall be purged.***
2. ***If a candidate requests a multi-facility/statewide centralized clearance and his/her information is not in the centralized clearance database, the appropriate facility Security Office staff member shall enter the data for the home facility into the database and the requested clearance shall be approved/disapproved at the local level before the request is forwarded to the CCU for expanded approval. A CLEAN/JNET check shall be conducted on the candidate and the Department's electronic informational databases shall be randomly reviewed prior to approval/disapproval by the CCU. Pertinent intelligence and/or investigative information relative to the candidate and forms for any new entry or required updates shall be forwarded to the CCU. The appropriate facility Security Office staff member shall complete and forward the Centralized Clearance Check Information Request Form (Facility) to the CCU.***
3. ***If a candidate has already been approved by Central Office for the facility, a gate pass may be issued with no additional CLEAN/JNET check. Additionally, no further distribution of the Centralized Clearance Check Information Request Form (Public) is required unless an update to demographics or renewal is necessary by the CCU.***
4. ***Any requests for updates to a multi-facility or statewide centralized clearance shall be forwarded to the CCU for changes. The appropriate facility Security Office staff member shall add the name of the approving Security Office Approver on the Centralized Clearance Check Information Request Form (Public).***

1.1.4, Centralized Clearances Procedures Manual
Section 4 – Centralized Clearance Check Procedures

5. If a facility needs to be added to the list of approved facilities, and the candidate's information is in the centralized clearance database and remains current, **then** the facility Security Office Approver shall contact the CCU with the request for the addition.
6. The facility Security Office/CCU shall advise Department staff requestors if a candidate's **clearance request** has been approved/disapproved, **and** if warranted, that a specific restriction has been designated. Specific details for disapprovals shall not be furnished **to the applicant** to avoid illegal dissemination of information.
7. Only designated facility Security Office staff **members**, designated Central Office Security staff **member**, selected staff from the Office of Special Investigations and Intelligence (OSII), Bureau of Information Technology (BIT) staff, and CCU **staff** shall have authorization to access the complete centralized clearance database, due to the protected and restricted information maintained within this **database**.
8. All original **Centralized Clearance Check Information Request Forms (Public)** from the field shall be sent directly to the Intelligence Captain/designee for investigation under the centralized clearance procedures. A copy of the completed **Centralized Clearance Check Information Request Form (Public)** may be maintained in the Security Office and/or the CCU for the duration of the clearance period. The Department staff requestor shall not retain copies of the form.
9. **Consistent with PREA, the facility Security Office shall maintain a copy of the Centralized Clearance Check Information Request Form, a copy of the PREA Current/Prior Employer Letter, and a copy of the information provided from the previous employer for five years, for all contractors who indicate that they have worked in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution, as defined in 42 U.S.C. §1997. (28 C.F.R. §115.17[a])**
10. The facility Security Office shall ensure that all affected facility staff are trained on how to handle the notification alerts associated with expired clearances and photos.
11. The Secretary, Deputy Secretaries, Facility Managers, Deputy Superintendents, Majors, Business Managers, Facility Maintenance Managers, and Shift Commanders **shall have** access to **the** web-based listing within **the** database of approved candidates for specific programs. Eligible staff may apply for this access directly to the CCU.

E. Centralized Clearance Unit (CCU)

The CCU is responsible for the following:

1. **processing** clearance requests for Central Office access;
2. **processing** clearance requests for projects submitted by the Central Office Bureau's designated liaison;

1.1.4, Centralized Clearances Procedures Manual
Section 4 – Centralized Clearance Check Procedures

3. **processing** clearances for the PA Prison Society, PBPP, agency temps, and contract service providers; **(28 C.F.R. §115.17 [d])**
4. adding additional facilities to multi-facility designated approvals and updating all registered clearances;
5. approving/disapproving all multi-facility/statewide clearances and determining if any restrictions **are** necessary **for** approved clearances;
6. maintaining physical copies of multi-facility/statewide clearances, when necessary;
7. serving as Application Administrator of the centralized clearance system;
8. developing application enhancements and testing the system;
9. developing/conducting training for all **system** users;
10. managing the security system for **the centralized clearance system**;
11. assisting the facilities **with processing** centralized clearance **requests**;
12. reviewing contested facility-**level clearance request** disapprovals and **making determinations regarding the same**;
13. updating additions to the list of approved facilities when **a candidate's** information is already in the centralized clearance database;
14. auditing access/entries for completeness, accuracy, and compliance with state, federal, and statutory regulations; and
15. **conducting criminal history checks on all contractors every two years. The CCU will contact the applicable facility and Requestor and communicate its findings in accordance with Department policy 4.1.1, "Human Resources and Labor Relations."** (28 C.F.R. §115.17[e])

**1.1.4, Centralized Clearances Procedures Manual
Glossary of Terms**

Agency Temp – *Temporary staff hired through medical staffing agencies covering Physicians, Physicians Assistants, Psychiatrists, Dentists, Nurses and CRNPs. They are to be processed and validated by the Bureau of Health Care Services. All other temporary staff shall be characterized under the “Vendor” category.*

Centralized Clearance – Process by which a Department employee requests clearance approval on behalf of a non-Department staff member, prior to institution activity related events. Non-Departmental staff shall be required to submit **a new clearance request form on an annual or biennial basis (every two years) depending on their capacity.** The designated form **with processing instructions is available on the Department’s public website at www.cor.state.pa.us.** **Candidates shall indicate their level of clearance request, justification and disclosure of all personal descriptors to facilitate this process. Candidate will then submit this form to their Department requesting staff member for validation and submission to the facility Security Office or the Centralized Clearance Unit (CCU).**

Centralized Clearance System – An application within DOCNet which includes the vital statistics of the candidate requesting access to Department institutions/information, as well as the approving authority’s related information. The system shall be administered by the Centralized Clearance Unit (CCU) and direct access to this system is restricted to authorized Department Central Office Security staff, **Office of Special Investigations and Intelligence (OSII)**, facility Security Office staff and associated Bureau of Information Technology (BIT) staff. Dissemination of this information is restricted to authorized Criminal Justice Agency staff only. **Completed** hard copies of the **Centralized Clearance Information Request Form** or restricted information obtained from this form may only be retained within the institution Security Office/CCU. Limited access to this system will be provided to designated Departmental staff by the CCU Administrator indicating type of access, level of access, organization and clearance dates of all clearance candidates.

Centralized Clearance Unit (CCU) – The CCU is the **Department assigned unit within Central Office** which is responsible for the complete administration of the centralized clearance process. The unit shall be responsible **for providing** all training, maintaining the restricted database, **security administration, system enhancements, conducting designated sensitive or confidential clearances and shall arbitrate all candidate appeals or institution variances. This unit shall conduct all clearances for Contract Service Providers, PA Prison Society Official Visitors, agency temporary staff and non-Department Commonwealth employees requesting access into Department institutions. This unit will also conduct queries of candidates requesting Central Office access or whose requesting staff member is assigned to Central Office. They will approve all requests for Multi-Institution or Statewide clearances.**

Certified CLEAN Operator – An employee, who has completed official training, passed testing requirements, is currently in active status, and certified by the Department’s System Agency Coordinator and the Pennsylvania State Police (PSP). Operators will be fingerprinted, sign statements of liability, and supplemental backgrounds will be conducted on these candidates as required by the PSP prior to the issuance or renewal of this certification.

**1.1.4, Centralized Clearances Procedures Manual
Glossary of Terms**

Contract Service Provider (CSP) – A business or individual that provides goods or services to the Department for monetary reimbursement *which includes* the care, custody, and control of inmates. (For example: *staff directly employed by a primary contractor covering medical, mental health (agency temp), treatment or contract chaplains.*) *These individuals will initially complete the security application package with an intermediate level background. Part-time staff within these categories may also be characterized as CSPs, however, must submit to the CSP process and all required training. (Any part-time CSP that does not complete this process or any subcontractor to the CSP Agency must be supervised by Department staff at all times and shall be considered a vendor.) Clearances for CSPs may be approved for a period of up to 24 months.*
