SEATING

QUICK SHIP

Pennsylvania Correctional Industries offers a **Quick Ship Program** to ship your chair order within 2 weeks of the order being placed with the factory.

Program Requirements

- Chairs indicated with the Quick Ship logo are included in this program
- No more than 25 chairs of the same series and model can be Quick Shipped at one time
- There are five standard upholstery types and colors available for Quick Ship chairs. These include:

Moonscape Stretch Fabric Ebony

Moonscape Stretch Fabric Indigo

Moonscape Stretch Fabric Ruby

Spacer Mesh Fabric Black

Boltaflex Colorguard Vinyl Black

- Breathe, Breathe Jr., CXO and VXO Chairs are **only** available for Quick Ship with the Black Spacer Mesh Fabric
- Other upholstery types and colors are available for these chair series outside of the Quick Ship program

Knee Tilt mechanisms vs. Synchronous Tilt mechanisms

With a synchronous tilt, the user is able to adjust the seat and back independently of each other. The knee-tilt option allows the user's feet to stay firmly on the floor while inclining the seat to different angles of support. Synchronous tilt allows the user to "lock-out" the seat and back to an infinite number of positions for maximum comfort.

INDEX

Max Support..... Page 2

- Functional design for the Human Factor.

TASK SEATING

PILOT

Big and tall users appreciate **Pilot's** expansive 24" wide seat featuring a waterfall edge to relieve pressure on the thighs and a high back that provides gentle support to the entire spine. The seat and back prevent fatigue with 3.75" of plush, resilient foam. Designed for round-the-clock use, Pilot is comfortable every time you use it and a heavy duty frame including an oversized steel J-bar and reinforced mechanism insure it.

MATERIAL NUMBER	PRICE	DESCRIPTION
339148	\$808.00	Pilot Chair, Fully Adjustable Task Arms, Carpet Casters

This conference room-style chair fits the casual user with uncomplicated comfort. This full-comfort chair features three simple controls: **Tilt-Lock** to lock the chair back upright or allow it to float; **Seat Height Adjustment** to raise or lower the seat and a **Tilt-Tension Adjustment** to ease the seat back tilt or tighten it.

MATERIAL NUMBER	PRICE	DESCRIPTION
339150	\$260.00	Snap Conference Chair, Loop Arms, Carpet Casters

SNAP CHAIR TASK SEATING

Snap offers value, comfort and reliability. So much more than your average task chair: molded foam construction, lumbar pillows for back support, sculpted seat, and the perfect combination of soft seat and firm back. Snap chairs are the most comfortable chairs in their price range.

Beyond its construction, Snap seating delivers adjustable back height, seat height, arm height, and on some models, seat depth and seat and back angles.

It's more than you expect!

MATERIAL NUMBER	PRICE	DESCRIPTION
339150	\$232.00	Snap High-Back Chair, Loop Arms
339150	\$178.00	Snap Mid-Back Chair, No Arms

The **Snap Stool** mechanisms are made of heavy-gauge steel plates, securely attached with six bolts. Five-star bases are fiberglass reinforced nylon and all hardware is treated with Nylock patches to prevent loosening over time.

Built to last, perfect for a computer lab, control area or anywhere an elevated seat is required, the Snap stool features a 26" base foot ring. Everything you need in a hard-working task chair, and nothing you don't!

MATERIAL NUMBER	PRICE	DESCRIPTION
339150	\$208.00	Snap Stool, Black Plastic Foot Rings, No Arms, Hard Floor Casters
