APPAREL

From weaving of raw materials, to sewing of the final product, we make garments for all institutional clothing requirements. From Aprons to Uniforms, each item is designed for practicality, durability, and appearance. Shown above (clockwise from upper left): Uniform Shirts, Raincoat, and Scrub Suit.

Complete any uniform with PCI accessories—Patches, Caps, Key Holders, and Handkerchiefs. Customize apparel items with our embroidery and/or silk-screen options.

BED, BATH & PERSONAL CARE

PCI manufactures a complete line of mattresses and related bedding products including pillows, pillowcases, mattresses covers, and bed sheets. Each item is constructed for the special needs of our customers to meet durability, hygiene, and safety specifications. We also offer towels and shower curtains. Shown above (clockwise from upper left): Towels, Mattresses, and Personal Care Kit.

HOUSEKEEPING

We offer a complete line of soaps and detergents for laundry, general purpose cleaning and personal care. All cleaning products are manufactured to comply with recognized industry standards. Quality control is assured with routine inspection and product evaluations. Material Safety Data Sheets are available upon request.

RECREATION

Park Benches, Picnic Tables, Grills and Fire Rings are made to withstand the demands of heavy use and exposure to the weather. Every item is constructed of heavier-than-standard material for outdoor use. Shown above (clockwise from left): Gazebo, Smoker Grill, Octagon Picnic Table, Oak Picnic Table, and Park Bench.

BAGS

PCI offers utility, mail, and laundry bags in nylon, mesh and canvas. Custom sizes, shapes, silk-screening, and embroidery are our specialty. Safety and security issues are always considered in the design of each bag. Shown above: Attaché bag, Tote Bag.

FURNITURE

PCI offers commercial quality furniture that is built to last at a remarkably affordable price. We also have a high-end line with elegant, traditional styling of decorative moldings, rich detail, and brass-finish hardware. Shown below (clockwise from lower left): Credenza, Breathe Seating, Double Tier Locker, Metal Bunk Bed, and Pedestal Files.

SERVICES

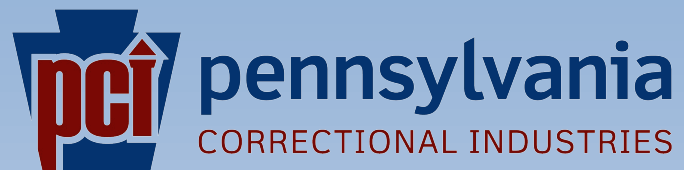

PCI offers services including Engraving, Laundry, Metal Fabrication, Optical, Printing, Furniture Refinishing and Reupholstering, Shoe Repair, Embroidery, and Silk-Screening. Shown above (clockwise from left): Embroidery, Printing, Silk-Screening, and Engraving.

SIGNS

We will design and manufacture any sign with the latest material and technology. We can provide highway, directional, parking and ADA signage for any application. All traffic control signs are made in accordance with PennDOT specifications and standards. Shown above (clockwise from left): ADA Signs, 911 Street Signs, Aluminum Warning Signs and Traffic Control Signs.

GUIDE TO PRODUCTS AND SERVICES

"Teaching Inmates to Work in Pennsylvania"

PENNSYLVANIA CORRECTIONAL INDUSTRIES

WHY BUY FROM CORRECTIONAL INDUSTRIES?

- Every item we make is on SAP Vendor #170194; SAP Outline Agreement #4400004305 and #4400004576
- Buying a Big House Product provides substantial cost savings to you and allows PCI to operate within DOC institutions to provide inmates with valuable work experience and vocational training to reduce inmate idleness while incarcerated, to assist with an inmate's successful re-entry following release from prison, and to reduce inmate recidivism by providing them the work skills to find and keep meaningful employment.
