Section 1 – General

A. Scope of the System

1. The inmate telephones may be used to place calls to telephone numbers in the North American Calling Plan (all 50 states, Puerto Rico, Canada, the U.S. Virgin Islands, and other Caribbean Islands). Calls to any of the 50 states may be made either collect or with the use of pre-paid time purchased at the commissary. Calls to Puerto Rico, Canada, the U.S. Virgin Islands, and other Caribbean Islands must be made with pre-paid time. Calls to international numbers that are not in the North American Calling Plan (NACP) are permitted; however, they must be made pre-paid.1

2. Depending on the call type, the following dialing instructions shall be followed:
   a. for English press 1, for Spanish press 2;
   b. for Collect press 1, for Debit press 2;
   c. enter the area code and number (for international calls enter the country code and telephone number); and
   d. enter the Inmate Personal Identification Number (IPIN).

B. Inmate Access

1. Inmates may be permitted to use the inmate telephone system whenever the telephones are available for use.

2. A facility may limit the number of calls made and/or schedule calling blocks of time if the number of available inmate telephones does not allow for sufficient calling blocks of time and/or for other operational or security reasons.

3. Calling schedules are determined by the facility.

4. Placement of inmate telephones is determined at each facility with provisions to permit access by the disabled.2

5. Telephone privileges for inmates in Level 5 (L5) housing units or specialized treatment units will be governed by Department policies DC-ADM 801, “Inmate Discipline,” DC-ADM 802, “Administrative Custody Procedures,” 6.5.1, “Administration of Security Level 5 Housing Units,” and 13.8.1, “Access to Mental Health Care.”

6. Inmate telephone calls are a privilege which can be curtailed or rescinded by the Unit Manager/designee through the informal resolution of a misconduct in accordance with

---

1 5-ACI-7D-12
2 5-ACI-7D-12
Department policy DC-ADM 801. Inmate telephone calls may also be curtailed or rescinded for administrative or disciplinary reasons by the Hearing Examiner or Facility Manager/designee.

C. Telecommunication Devices for the Hearing Impaired

1. Facilities housing hearing impaired inmates shall provide Telecommunication Devices for the Deaf (TDD) and Teletypewriters (TTY) to provide communication to or from hearing or speech-impaired persons.  

2. The Pennsylvania Telecommunications Relay Service (PA TRS) allows persons with a hearing or speech disability to use the telephone system via a TTY or other TDD to call persons with or without such disabilities through the assistance of specialty trained operators.  

3. A remote printer will produce a copy of the conversation for monitoring purposes.  

4. Hearing impaired inmates shall be permitted to use telecommunication devices for the hearing impaired (TTY/TDD) when available for use.  

5. A facility may limit the number of calls made and/or schedule calling blocks of time if the availability of the telecommunication device does not allow for sufficient calling blocks of time and/or for other operational or security reasons.  

D. Facility Authorized Telephone Calls

1. Facility staff may authorize the use of the facility-owned telephone system for the following reasons:  

   a. serious illness, hospitalization, or death of an immediate family member;  

   b. contact with an attorney in matters of immediate need, which will last no longer than five to ten minutes. If additional time is needed, the attorney will be directed to contact the facility to set up a telephone conference;  

   c. when the attorney will not accept a collect call and the inmate has no funds available for a pre-paid call;  

   d. contact with an attorney regarding a legal matter which, because of an immediate deadline, cannot be handled in person or via correspondence; and
e. an extraordinary or unusual circumstance.

2. The inmate must establish that an actual emergency exists. The staff member authorizing the inmate telephone call must verify the emergency exists prior to placing the call, document the call on a DC-121, Part 3, Employee Report of Incident, and forward the report to the Security Office and the Facility Manager/designee. In addition, a facility-authorized call is to be monitored by the staff member providing this privilege. If the inmate does not agree to have this phone call monitored, he/she will not be granted the privilege of placing a telephone call on the facility-owned telephone system. An attorney phone call shall not be monitored; however, staff will first verify that the call is received by the attorney and the attorney is representing the inmate.

3. A call placed under this section will be recorded by the staff member authorizing the inmate telephone call on the Inmate Cumulative Adjustment Record (ICAR).

4. Inmates will not be charged for authorized phone calls placed using the facility-owned telephone system for confirmed serious illness, hospitalizations, or the death of an immediate family member.

5. A staff member authorizes a phone call to arrange for transportation upon the inmate’s release on parole. A DC-121, Part 3 is not necessary in this situation.

E. Facility Phone Booths

1. Each facility has established phone booths that can be utilized by inmates under certain pre-arranged circumstances. These phone booths will not be utilized at the inmate’s request, but at the request of individuals such as: inmates’ attorneys, parole, Children and Youth Services (CYS), Rape Crisis Center Advocates, and court officials. (28 C.F.R. §115.53)

2. These calls will be requested in advance, no less than 72 hours prior. The request will be processed through the Superintendent’s Assistant/designee. Each call will be verified prior to the actual call being permitted. The party requesting the telephone conversation will initiate his/her call through the institution’s switchboard operator. These phone booths are equipped to ensure attorney/client privilege.

F. Inmate Hotlines

1. Inmate Abuse Hotline

a. An Inmate Abuse Hotline has been established for inmates, staff, family, and friends to report inmate abuse to the Bureau of Investigations and Intelligence (BII). Staff, family, and friends can call toll free using 800-677-0330 and inmates can call by
dialing 999 (no *) at no charge. This hotline is not intended for reporting allegations of sexual abuse or sexual harassment. Such reports shall be made in accordance with the procedures outlined in Department policy DC-ADM 008, “Prison Rape Elimination Act (PREA).”

b. The facility-specific personal identification number (PIN) is listed on the Inmate Abuse Hotline Flyers (English and Spanish) (Attachment 1-A) posted on bulletin boards throughout the facility.

G. Payment

1. Telephone calls using the AITS must either be collect in accordance with 66 Pa. C.S. §2907, where the cost of the telephone call must be borne by the called party, or through pre-paid time purchased by the inmate.

2. Pre-paid time may be purchased in the commissary in $10, $15, $25, or $50 amounts, not to exceed a $100 limit per week.

3. With the exception of serious illnesses, hospitalizations, or deaths of an immediate family member, a call placed under exceptional circumstances as stated in Subsection D. above, will follow these rules for payment:

   a. the calls must be collect or paid for by the inmate;

   b. a facility-owned telephone may be used only when such a call cannot be made on the AITS;

   c. prior to placing a non-collect call, the inmate must sign a cash slip authorizing the deduction from his/her account for the call; and

   d. if the inmate is indigent (has no funds currently available) and a collect call is not feasible, the cost shall be charged to the inmate’s account and the debt will be satisfied as funds are deposited to his/her account.

4. Pre-Paid Phone Account Refunds

   a. When the inmate is scheduled for release, Inmate Accounting personnel at the facility will contact the on-site phone administrator/designee to terminate the inmate’s pre-paid phone account and determine any remaining balance.

   b. Inmate Accounting personnel will include the refund amount for pre-paid phone accounts with the pay-off figure for the inmate.

   c. The facility will reimburse the inmate for the remaining balance of his/her pre-paid phone account. Reimbursement will be for the full balance of the account.

A. Obtaining Telephone Privileges

1. An inmate will be permitted to place a call on the Automated Inmate Telephone System (AITS) within 12 hours of initial reception or recommitment as a parole violator (PV). The inmate is not required to have an Inmate Personal Identification Number (IPIN) to access the system. The length of the call is limited to 15 minutes. It is the expectation that all new commits or PVs successfully make contact with one person of their choice (unless considered restricted under Subsection B. below) within 12 hours. For those inmates whose attempt is unsuccessful, they shall be provided with at least one additional phone call within 12 hours of initial reception or recommitment. If they are still unsuccessful, they shall be advised and provided with another attempt within the next 24 hours. All free phone calls and call details shall be documented on the Inmate Telephone Services Free Inmate Telephone Call Log (Attachment 2-A).

2. A list of every approved telephone number shall be established during the initial classification period and recorded on the DC-8A, Inmate Telephone Authorization Form (Attachment 2-B). A copy of the DC-8A will be kept in the inmate’s record.

3. The inmate must sign the DC-8A verifying that he/she has read, or has had read to him/her, the provisions of this policy. Failure to sign the form will result in denial of inmate telephone privileges.

4. An individual inmate telephone list is limited to 20 active telephone numbers.

5. An attorney’s telephone number is to be listed separately on the DC-8A, and is not counted against the total of 20. The attorney must be representing the inmate and the relationship must be verifiable. The attorney telephone number must be verifiable (using the PA Disciplinary Board Website) and these calls will not be recorded or monitored.¹

6. The complete name, relationship, telephone number, and street address of every person whom the inmate wishes to call must be listed on the DC-8A. A Post Office Box may be considered a valid address. An incomplete form will be returned to the inmate without action.

7. The inmate may request to add or delete from his/her approved list of telephone numbers by submitting the DC-8B, Supplementary Authorized Inmate Telephone Numbers Form (Attachment 2-C). Failure to sign the form will result in denial of the request.

8. The inmate may place calls when he/she receives his/her IPIN and when his/her DC-8A/B has been received and programmed into the AITS under his/her IPIN.

¹ 5-ACI-3D-01, 5-ACI-3D-02
9. The IPIN number issued to the inmate is considered confidential. The loaning, borrowing, or theft of that number is prohibited and will result with any involved inmate receiving a misconduct and loss of telephone privileges.

10. In the event the inmate experiences difficulty in using the AITS after his/her phone numbers have been entered into the AITS computer, a DC-8C, Telephone System Discrepancy Form (Attachment 2-D) will be completed to resolve the problem. The form shall be forwarded to the Telephone System Administrator (SA) for resolution. Copies of call detail records will not be provided.

11. The inmate shall be notified in the event that the system experiences any malfunctions or becomes inoperable.

B. Restrictions

1. A call on the AITS is initially announced to the called party as originating from a correctional facility and subject to monitoring and/or recording. Announcements will be made periodically during telephone conversations. There will be no reimbursement for the time consumed by these recorded announcements.

2. An inmate is prohibited from initiating calls to the following:
   
   a. an inmate, a former inmate, parolee, probationer, or co-defendant(s) without the written approval of the Facility Manager/designee;
   
   b. an employee of the Department, unless requested in writing by the employee and approved in writing by the Facility Manager/designee, at both the facility where the employee is assigned and the facility where the inmate is housed;
   
   c. a former employee of the Department, unless requested in writing by the former employee and approved in writing by the Facility Manager/designee;
   
   d. a judge, criminal justice official, prosecutor, or court administrator without his/her prior written approval;
   
   e. a minor unless approved in writing by the custodial parent or legal guardian;
   
   f. a victim of the crime for which the inmate is incarcerated, unless requested in writing by the victim and approved by the Facility Manager/designee;
   
   g. a member of the public who requests, in writing, to have his/her telephone number blocked;
   
   h. all toll-free and emergency numbers (800, 888, 911) with the exception of toll-free numbers for the Pennsylvania Relay Service for Telecommunication Devices for the
Deaf (TDD) and Teletypewriters (TTY) equipment for the hearing impaired in accordance with Section 1 of this procedures manual;²

i. an inmate is prohibited from three-way calling and call forwarding as defined in the Glossary. Calls made through a call routing service as defined in the Glossary are permitted;

j. placing a call through a multiple long-distance carrier;

k. placing a call to a local, county, state, or federal correctional facility, a Community Corrections Center (CCC) or Community Contract Facility (CCF), or to an inmate housed there without the prior written approval of officials at both facilities; and

l. anyone who has an active Protection from Abuse Order (PFA) against the inmate that prohibits such contact.

3. If written approval is granted for any of the calls listed above, the call shall be monitored.

4. Use of any facility telephone or other telephone not specifically designated for an inmate is prohibited except as otherwise outlined in Section 1 of this procedures manual.

5. A telephone number that the facility has reason to believe is being used to violate Department policy or regulations will be blocked.

6. Use of the same telephone number on multiple IPIN lists is permitted.

7. Warning: Calls placed to cell phones, or phones of inferior quality may be automatically terminated due to static, adverse weather conditions, weak signals, or activation of the call waiting feature. If this occurs, there will be no reimbursement for the call set-up fee that is incurred when the number is re-dialed. Likewise, if someone at the called number picks up an extension phone or the call waiting feature has been activated, the call may be automatically terminated, and you will not be reimbursed for the call set-up fee that will be incurred when the number is re-dialed.

C. Transfer of Telephone Privileges

1. When an inmate transfers from one facility to another, location information is updated within the inmate telephone system via an automated data feed from the Department of Corrections (DOC) to the inmate telephone provider web service. This process occurs once daily, therefore, a change to location will not be reflected within the inmate phone system until the day following the actual change.

2. Questions regarding the transfer of inmate telephone data should be directed to the on-site telephone SA/designee.
