

Good Morning:

My name is Laurel Lee Womack. If you are reading this, you know I was a Resident of Renewal from Muncy Prison. I Resided at Renewal for "13 months". It was a long hard journey for me, but, mainly, foremost a rewarding experience. For 8 months, I was down because of "5" brain aneurysm. When I recovered, I searched on my own to find employment, I had no such luck I cried to staff, and to those who supported me, until "Renewal Workforce" came through for me. Oh happy days, then the owner of Eddie's Market n-Catering received me through the door. I'm now celebrating 9 months here, I'm also a part of "Divine Intervention Ministries". I live in Paw Hills, Pa. So what I want you to do is. Hold on don't give up on yourself. You can do it. Just let Renewal Workforce help lead you in the right direction, and you also will see, a life changing experience too! Live your dream's to the fullest.

Sincerely yours
Laurel Lee Womack
