Are you returning home to a county in Pennsylvania?

Here's some help.....

What Are One-Stop Shops?

“One-Stop Shops” are key referral agencies to other resources and other service agencies. They may also provide the service(s) directly. They can provide both information and support in finding available resources in your community. Certain agencies are able to provide you with assistance, while others will help you get to where you need to go! Please read the individual descriptions for more information.

Re-entry Coalitions

Coalitions are available on a regional and/or county basis and are one-stop referral and assistance groups specifically responsible for providing information and/or services to returning citizens. Not every county has a re-entry coalition, but they are being formed throughout to Commonwealth of Pennsylvania. Every coalition varies in its makeup, including an assortment of government and community agencies. These coalitions are intent on making the transition from incarceration to the community easier for all involved. They may provide mentoring services, education and employment services, emergency assistance, housing assistance, and more. For assistance, start by calling your coalition if it is listed and asking what services they are currently offering.

Agency on Aging

Agencies on Aging provide services to older adults including, information & referral placement, personal care, home support, counseling, protection, legal, family support program, long-term care assessment and management and alternative Community Care Services. Age restrictions regarding senior citizenship will vary by county, but information and referral placement can be given regardless of age.
