You are returning to your community, friends and family and will need resources to make the transition easier. We are providing a community resource guide to you which lists contact information for these organizations. Some areas that you will find helpful include parole, education, crisis intervention, training, employment, AA, NA, parenting/child care, health care, and mental health.

Every day is an opportunity to make a decision that will positively or adversely affect your life and those around you. I hope you will utilize the resources to support those positive decisions. I wish you every success in your life.

Sincerely,

John E. Wetzel
Secretary of Corrections

Are you returning home to a county in Pennsylvania?

Here's some help.....

This resource guide has been created by the Pennsylvania Department of Corrections with help from local agencies, government departments, and county personnel that all participate in the statewide reentry initiative.

Information in this guide has been verified and is accurate as of August 2013. This guide can be updated as needed. Send any changes and corrections regarding removal or additions of resources to ra-crdocreentrydirec@pa.gov.

Returning home can be difficult – we hope that this guide helps you to find local resources that will help you succeed in your future endeavors!

When you are released, take it one day at a time...

- ✓ See your parole agent as required
- ✓ Obtain steady employment
- ✓ Treat others with respect
- ✓ Be a positive role model
- ✓ Avoid situations that involve drugs and alcohol
- ✓ Continue treatment programs and don't give up!
- ✓ Be responsible and know the consequences of your actions
- ✓ Stay in control of your finances
- ✓ Avoid negative influences
- ✓ Volunteer to give back to the community
- ✓ Be in control of your emotions
- ✓ Surround yourself with positivity

And finally.....

It is up to YOU to get the help you need.

What Are One-Stop Shops?

“One-Stop Shops” are key referral agencies to other resources and other service agencies. They may also provide the service(s) directly. They can provide both information and support in finding available resources in your community. Certain agencies are able to provide you with assistance, while others will help you get to where you need to go! Please read the individual descriptions for more information.

Re-entry Coalitions

Coalitions are available on a regional and/or county basis and are one-stop referral and assistance groups specifically responsible for providing information and/or services to returning citizens. Not every county has a re-entry coalition, but they are being formed throughout to Commonwealth of Pennsylvania. Every coalition varies in its makeup, including an assortment of government and community agencies. These coalitions are intent on making the transition from incarceration to the community easier for all involved. They may provide mentoring services, education and employment services, emergency assistance, housing assistance, and more. For assistance, start by calling your coalition if it is listed and asking what services they are currently offering.

Agency on Aging

Agencies on Aging provide services to older adults including, information & referral placement, personal care, home support, counseling, protection, legal, family support program, long-term care assessment and management and alternative Community Care Services. Age restrictions regarding senior citizenship will vary by county, but information and referral placement can be given regardless of age.
