

Good afternoon,

SCI-Huntingdon continues to operate in 8 man cohorts until further direction is received. Yesterday, we opened the gym isolation area up because of positive cases. However, this does not sidetrack us in our efforts at mitigating the spread of COVID-19. COVID-19 sanitation procedures and COVID-19 protocols continue to be implemented throughout the institution. It is imperative that we continue to wear our masks, wash our hands, and practice social distancing.

This week's updates:

- We have been informed the blackout issues with TV stations CBS and NBC have been resolved.
- Dr. Conte's therapeutic videos began this week and will continue each day on the inmate channel.
- A Jaycee Hoagie Sale is currently underway and fliers are being posted on the housing units. Inmates are permitted to order 3 hoagies and 1 drink. You will be able to choose from a cheese hoagie, roast beef sub, turkey sub, or Whitehall Sub and a Lipton Green Tea. Order forms and cash slips that are specific to the hoagie sale can be obtained on your housing units. Cash slips must be submitted no later than January 8<sup>th</sup>. We would like to thank the Jaycees for their work on this project.
- We would also like to thank the Pennsylvania Lifer's Association, IGWF, and Jaycees for their contribution to the holiday bags that were delivered to the housing units last week.

Thank you and have a good week.
