Just a quick announcement to make in our next step during this COVID-19 era.

Beginning Monday, May 2<sup>nd</sup>, in person services will resume in the Chapel based on a rotating zone schedule. That schedule will be posted on the housing unit bulletin boards and inmate channel. If you have any questions regarding when your faith group is scheduled for the Chapel, you can send a request slip to the Chaplain's Office.

Inmates will enter and exit the Chapel by using the stairs on the housing unit that lead up to the Chapel. When it is time for a faith group to report to the Chapel, an announcement will be made on each housing unit of the scheduled zone.

Services will continue to be live-streamed on the inmate channel.
