

TO: All Inmates

FROM: 
John E. Wetzel
Secretary of Corrections

DATE: July 22, 2021

SUBJECT: Enhanced Services Update

Over the past 16 months, the Department has been offering additional services to you to ease restrictions due to the pandemic. As we begin to demobilize our facilities, the Department will begin to roll-back certain services while keeping others in place.

Effective July 28, 2021 you will no longer be afforded one (1) free phone call per week, and the free cable program will cease as of September 30, 2021. Anyone wishing to continue with cable services will be billed for the month of October.

Although the services listed above are being discontinued, the allocation of free emails will continue until further notice, the commissary limit remains at \$100, and you are permitted to mail, at no cost, a maximum of twelve (12), one ounce, first class letters per month.

I appreciate your continued support. If you have any questions, please contact your unit team for assistance.
