

# 2021 BASIC TRAINING PROGRAM SYLLABUS

Welcome to the Department of Corrections Training Academy Basic Training program. The Basic Training program is a pre-service training program for all new staff entering the Pennsylvania Department of Corrections. New staff include all classifications who work to deliver correctional services that spans "Institutions" (State Correctional Institutions), Field Services (Probation and Parole), Re-entry Services (Bureau of Community Corrections), Training Services (Training Academy), Correctional Industries (CI) and Administrative Services (Central Office).

Through the Basic Training program, staff are exposed to the agency's mission and team culture, general expectations while working in the agency, Department of Corrections policies and procedures, and the content and skills that will equip them with the necessary foundation to effectively and successfully perform in their respective positions.

The Department of Corrections training program prides itself in bringing relevant and quality training to all staff entering the agency. Our mission at the Academy is to "*provide state-of-the-art training services and programs that are relevant, timely and effective, embracing new technologies with a keen focus on customer service and professionalism. We serve the Department's mission by preparing new and current staff to provide quality correctional services, while continuing to develop our future leaders.*"

## PERFORMANCE GOALS

Staff attending the Basic Training program can expect to be able to:

1. Communicate effectively with parolees, re-entrants, inmates, staff, visitors, and the public in the performance of their job duties
2. Apply professional and ethical behavior in the performance of their job duties
3. Practice the fundamentals of static and dynamic security specific to a correctional setting
4. Determine what observations and actions need to be reported and documented, and utilize the proper chain-of-command
5. Demonstrate characteristics to participate effectively as a member of a work team
6. Correct negative behaviors and reinforce positive behaviors displayed by inmates or re-entrants in their facility
7. Apply evidence-based practices in the supervision of inmates, parolees and re-entrants
8. Perform all duties within facilities and communities in a safe and effective manner

## EVALUATION

Students will demonstrate proficiency through skills practice, skills tests, informal feedback, weekly examinations, and attaining certifications. The course is continually evaluated through end of course evaluations and observations by training staff.

**Note:** All participants are required to pass weekly written examinations with a minimum score of 75%. Individual courses may also require written and/or demonstration of skills for qualification (such as CPR/AED and BFA) and are identified in the Basic Training Course Description Booklet. The Basic Training Handbook conveys the rules and expectations while attending Basic Training.
