RECREATION & STORAGE SOLUTIONS

Pennsylvania Correctional Industries offers a variety of recreation and storage solutions to meet all of your needs! In this section you will find strength and fitness equipment essential for a full range body workout within an institution.

Our park equipment consists of benches, tables and other park items that are virtually indestructible. Every item is constructed of heavier than standard material, chosen for outdoor use. Park equipment can also be packaged with a security package, including vandal-proof nuts and special tools for installation.

PCI also offers a full range of material and equipment storage solutions, from small shelters to full-size buildings. All of our sheds and buildings are multi-purpose structures. Prefabricated, they offer an economical alternative to new construction. Units are pre-cut and partially assembled for your convenience with all materials and parts necessary for final assembly. They can also be ordered fully assembled.

Please contact our Customer Service Department if you have special requirements for any of the items located in this catalog section!

All Pennsylvania Correctional Industries customers can get assistance from a PCI Sales Representative or Customer Service Representative. These individuals provide detailed information on more than 2500 PCI products and services and can help in selecting the best solution for your business or organization, and can assist in placing orders. If you do not know your Sales Representative information, please use our Sales contact information to the right.

STORAGE SOLUTIONS

STORAGE SOLUTIONS

STORAGE BARNs

Custom storage barns are beige with a dark brown trim. The floor is constructed with 2 x 4 joist on center with $\frac{3}{4}$ " plywood sheathing. Walls are 2 x 4 studs, 24" on center, 5/8" T1-11 siding, and 1 x 4 corner trim. Storage barn roofs are constructed of 2 x 4 built-up rafters, 24" on center, 7/16" wafer board sheathing, metal drip edge, 25-year fiberglass shingles, and 3" overhang. Doors are 4' wide, double-swing, with a decorative "X" design reinforced. Storage barn units are available partially or fully assembled. Partially assembled units are pre-cut and furnished with nails, hardware and assembly instructions. Special permits are required for hauling fully assembled models. Storage barn sizes are completely customizable. Call our Customer Service Department using Material Number **338145**, with your requirements to receive a price quote or to place an order.

STORAGE BUILDINGS

Pennsylvania Correctional Industries also offers custom storage buildings. Storage buildings are available with finished or unfinished interior. All storage buildings feature Double-5 vinyl or T1-11 siding and brown aluminum soffit and fascia. Storage buildings feature floors constructed of five, 4 x 4 pressure-treated skids which extend on each end with pre-drilled holes for pull/slide, 2 x 4 pressure-treated joist 16" on center, and 3/4" tongue and groove plywood. Walls are 2 x 4 studs, 16" on center with steel sidewall bracing for extra rigidity. The roof is 2 x 4, built-up truss, 16" on center, 1/2" plywood sheathing, #15 felt paper, metal drip edge, 25-year fiberglass shingles and either a 4" or 8" overhang, depending on the size of the storage building. The doors are 36" pre-hung, solid steel out-swing and buildings are available with windows. Storage buildings require special permits for hauling. All PCI storage buildings are customizable in size. Please call our Customer Service Department using Material Number **338810**, with your requirements to receive a price quote or to place an order.

STORAGE SOLUTIONS STORAGE SOLUTIONS

GAZEBOS

These shelters are constructed of No. 2 Southern Yellow, pressure-treated pine with 5/4" bull-nose decking, 2" x 8" rafters, 4" x 4" posts, 3/4" roof sheathing, 25-year fiberglass shingles, 2" x 4" top and bottoms rails, and 2" x 2" spindles. The cupola is standard. Units are shipped partially assembled on 4 x 4 skids for ease of movement. All gazebos are shipped partially assembled.

DIMENSIONS	MATERIAL NUMBER	PRICE
8' Diameter	338971	\$4,236.75
10' Diameter	338970	\$5,072.00

PICNIC PAVILIONS

These open-air structures are constructed of high-grade, pressure-treated wood with 16' trussed rafters and 1/2" exterior plywood sheathing. Roof overhang is a full 2 feet. Columns are 6" x 6" x 12' pressure-treated pine posts, which allow for 3' placement into the ground (one bag of concrete mix per column included), and 8' head clearance. Shingle color is tan/brown blend. Unit is sold as an unassembled package with all hardware and instructions included. Diagonal post bracing is provided.

DIMENSIONS	MATERIAL NUMBER	PRICE
16' x 24'	338983	\$5,350.25

CUSTOM PICNIC PAVILIONS

If your needs do not fit the standard picnic pavilions provided by PCI, please call our Customer Service Department using Material Number **338386**, with your requirements to receive a price quote or to place an order.
