Dear Reentrant,

The staff of The Kintock Group welcomes you to this community correctional facility. We have designed the center to provide a clean, secure, and comfortable environment in which you may begin the transition to the community. A staff of experienced counselors, case managers, administrative and support personnel are available to help you make the best use of the services provided.

Our overall goal is for you to gain the skills and resources to live a productive crime-free life in the community. In order to reach this goal, you will be required to complete objectives you have set for yourself in the areas of:

- Education
- Substance Abuse
- Family Reintegration

Contained in this handbook are descriptions of program elements, information concerning daily life in the facility, Department of Corrections' directives and The Kintock Group’s rules and regulations. You are expected to follow the rules and regulations of both The Kintock Group and the Department of Corrections and/or the Pennsylvania Board of Probation and Parole at all times. You are also expected to know and comply with the contents of this handbook. Your assigned case manager will review sections of the handbook with you throughout your stay in the facility. If additions or corrections to the handbook are made, you will be informed immediately. During the intake process, you will be required to sign a confirmation that you have received, read and understand the contents of the handbook.

Please feel free to discuss any issues pertaining to your treatment with staff. This program is designed to help you make a positive change in your daily activities. We believe that if you successfully complete this program, you will have the best chance of making this your last experience in the criminal justice system. We hope you learn that only you can make changes in your life. We care about your success and are ready to support you as you plan and make these positive changes.

Your success is our success!

Sincerely,

Frank Guyon

Kintock staff members are always available and can be reached at 1-800-565-8840. The State Program employs a Program Director, Senior Case Managers, Case Managers, Counselors, Employment Resource Personnel, Administrative Assistants and numerous Operations staff to assist with your adjustment inside the facility.
PROGRAM COMPONENTS

INTAKE

On your first day, you will be guided through the new arrival process, which includes:

- Providing a urine and breathalyzer sample
- Being photographed
- Having your personal property inventoried
- Receiving your room assignment, bed and locker, and
- Receiving clean bed linens and towels.

Staff will give you a tour of the complex to familiarize you with the physical layout of the building, emergency evacuation procedures, and the location of facility services.

ORIENTATION

On your first or second day in the program, you will participate in the orientation process. The New Reentrant Orientation consists of meeting with a Case Management Coordinator, the Program Director, Senior Case Manager, Employment Counselor, a Counselor, the Operations Manager, a State Parole Agent and your Case Manager. Throughout this orientation process, staff will provide you with an overview of the program, discuss expectations, and advise you of your responsibilities. In addition, a staff member will conduct a Texas Christian University drug and alcohol assessment regarding your history of substance abuse.

You will undergo an Initial Risk Assessment within 24 hours of your arrival at the facility. This assessment will cover any special needs, including medical issues, which you may require. You will also meet with a contracted nurse to undergo a medical evaluation upon your arrival.

Furthermore, you will be issued a Kintock Reentrant Identification Card during your orientation. This ID must be visibly worn at all times while you are inside the facility. You will not be permitted to meet with any staff member without your ID. Your ID must also be worn in order to be served during meal times and in order to enter and exit the facility. If you misplace your ID, there is a $5 replacement fee.

NEEDS ASSESSMENT / CASE PLANNING

Your assigned Case Manager will begin the assessment and evaluation process during the orientation phase of your stay at Kintock. Your Case Manager will establish a Prescriptive Program Plan (PPP) after reviewing file information and conducting an LSI-R assessment with you to determine the personal steps you need to take to live successfully in the community. Goals and detailed plans for reaching them will be specified in the PPP. You and your Case Manager will sign the completed PPP. Throughout your stay at Kintock, the PPP will be reviewed by you and your Case Manager. In addition, if you remain in the program for an extended period of time, the PPP will be revised every six months.
ASSESSMENT

You will enter an Assessment Period upon your arrival, which lasts a minimum of two weeks. During this phase you will focus on obtaining proper identification and court paperwork. In addition to your PPP, your Case Manager will conduct an LSI-R to help set specific time frames for goals to be achieved. When a specific need is indicated by the assessment, you may be assigned a Counselor inside the facility or be referred to treatment/counseling through community agencies. If indicated, you will be required to attend Violence Prevention programming inside the facility. During this assessment phase you will also become familiar with the required community service aspect of community corrections, which is discussed further in this handbook.

CASE MANAGEMENT

You are required to meet with your Case Manager twice per/week throughout the duration of your stay at Kintock. These counseling sessions will revolve around the goals and strategies of the Prescriptive Program Plan. If stipulated, you will also be assigned a Counselor who you will meet with on a consistent basis. Failure to report to a meeting with either your Case Manager or your Counselor may result in disciplinary actions. You are permitted to request to see your file. You must submit a written request to your Case Manager in order to view your file.

COMMUNITY ORIENTATION AND REINTEGRATION

All reentrants in The Kintock Group are required to attend Employment and Life Skills programming. In addition, the majority of reentrants are required to attend Violence Prevention programming. The majority of your Employment Education classes will take place during your second and third weeks in the program, when you will attend classes Monday-Thursday. During this time frame you will attend Workplace Literacy and Readiness classes, Life Skills classes, Release and Reintegration Preparation classes, and Computer Literacy classes. Additional classes may be required, including Drug and Alcohol Relapse Prevention and AIDS/STD Education/Testing seminars. Kintock also offers 12-Step Meetings inside the facility each week. In addition, if you are stipulated to attend Violence Prevention programming, you will be scheduled to begin these classes shortly after your arrival. This program is conducted twice per week for a total of six weeks. Please meet with your Case Manager if you have any questions.

COMMUNITY SERVICE

You are required by Kintock and the Department of Corrections to complete a minimum of 10 hours of community service every month during your stay in the program. Community Service must be completed regardless of employment status and employment hours. The Department of Corrections and/or Kintock may assign additional hours during your stay. Kintock, through an arrangement with the Philadelphia Managing Director’s Office and other community agencies, offers community service throughout the week. In some situations, transportation will be provided to and from the work sites. At times you may be required to provide your own transportation. The community service site supervisor will provide a record of
hours worked to Kintock. In addition to the community service that Kintock assigns, you are permitted to arrange your own community service, as long as the service dates and times can be verified through a contact at the site.

**PAROLE REQUIREMENTS**

- All parolees will meet with their assigned agent/duty agent during orientation. Currently, there are four Parole Agents assigned to the Kintock Group. You will be told who your agent is during your orientation. All agents have regular hours in the facility.
- Parolees may not travel outside of Philadelphia County without written travel permission from their agent.
- Parolees need to apply for criminal registration at the Police Administration Building during their first week in the program. You will not be permitted to sign out of the facility until you obtain your criminal registration card. You must carry your criminal registration card on your person at all times while on a pass outside of the facility.
- **Parolees need to submit their home plan to their Case Manager ASAP. A Parolee’s release is contingent upon an approved home plan and all other required stipulations being met (obtaining a Drug and Alcohol evaluation or enrolling in treatment, enrolling in Anger Management treatment, etc.).**
- Please be aware that both Parole and Kintock staff will request urine samples for urinalysis testing.
- While residing at Kintock, all parole reentrants are responsible for paying $10.00 per/month to their Parole Agent for supervision fees.

**HOME PLANS**

- If your home plan has been approved prior to your arrival at Kintock, please notify your Case Manager during orientation. A new home plan does NOT need to be submitted if your plan is approved and has not expired. Approved home plans are valid for approximately five months. You should also inform your Parole Agent of your approved home plan in order to expedite a release date. Once you submit your home plan to your Case Manager, he or she will type the home plan on the proper form and submit it to Parole.
- A Field Agent is responsible for investigating the home plan.
- A home plan investigation can take up to forty five days to be completed after it has been submitted.
- If you have not received a response forty five days after your home plan was submitted, Kintock staff will contact Parole who will investigate the reason for the delay.
- **If you are stipulated for Violence Prevention/Specialized Center, you are required to remain at Kintock for a minimum of 60 days.**
- Your home plan will NOT be approved if: the home is classified as Section 8 and you are not on the lease; if your crime was committed in the residence; if the landlord does not agree to allow you to reside there; if the home provider will be moving within the next 60 days; if there are drugs or weapons on the premises (including legally registered weapons).
FIRE AND SAFETY REGULATIONS

- The Kintock Group is a non-smoking facility. Smoking is prohibited in the entire facility.
- No heating equipment, extension cords, or electrical appliances are allowed in dormitories.
- Burning incense/potpourri is strictly prohibited.
- You are not permitted to bring an iron into the facility. Kintock provides an iron, which is stored in Control Booth 2. If you need to use the iron, you are required to give your Kintock ID card to the staff in Control Booth 2. Once you are finished using the iron, you must immediately return it to Control Booth 2 and your Kintock ID will be returned.
- Reentrants are strictly prohibited from tampering with the lighting, smoke detectors, fire alarms, sprinklers and fire extinguishers.

EMERGENCY EVACUATION PROCEDURES

Emergency evacuation drills will be conducted on a random basis at least once per month. All reentrants are required to participate; failure to do so will result in disciplinary action. Posted in each room is a diagram showing exit routes from the facility. Should the emergency alarm sound and/or staff announces an evacuation, you must proceed immediately to the nearest exit (as shown on the diagram,) depart the facility, assemble on Whitaker Avenue, and remain there until further instructions are given. This procedure needs to be conducted quickly, calmly and in absolute silence so that instructions can be heard. Staff will conduct a count outside at the assembly area. Once staff announces the “all clear,” you need to report to the assigned area for another count.

REENTRANT WORK CREW

The Reentrant Work Crew handles the cleaning of all common areas inside the building including bathrooms, hallways, classrooms, workout room, cafeteria, etc. Some reentrants on the Reentrant Work Crew will also handle additional chores in the kitchen.

If you wish to apply for the work crew please meet with the Housekeeping Supervisors or Food Service Manager. When a spot on the work crew becomes available, you will be considered.

Those reentrants selected for the work crew will be given further details, including incentives for being on the work crew, upon their appointment to the crew.

Once on the work crew, you will be given the proper procedures for retrieving, using and handling all cleaning supplies. Kintock maintains an MSDS sheet for all cleaning supplies used inside the facility. Staff will permit you to review the MSDS sheet for any/all cleaning supplies that are in use.

- Brief overview of the Reentrant Work Crew:
  - The Work Crew consists of approximately 20-25 reentrants.
- Unemployed reentrants will not be permitted to remain on the Work Crew for over 30 days (unless they are given clearance to do so by their Case Manager).
- A reentrant can be removed from the work crew at any time, including for poor work performance and/or receiving incident reports.

All reentrants remain responsible for cleaning their personal areas and any chores assigned to them.

EMPLOYMENT

Seeking, securing, and maintaining employment is a mandatory requirement of the program. The Employment Resource Center (ERC) is committed to achieving a level of excellence in the area of assisting with employment/education placement. The ERC consists of Business Service Representatives, Employment Counselors and a Computer Lab Instructor. The ERC is responsible for the following duties:

- Job Search Procedures
- Employment Schedules
- School Schedules
- Emergency Employment Issues
- Employer Contact Calls
- Work Readiness Classes
- Work Literacy Classes
- Assessments
- Site Visits
- Intent to Hire/Employment Verifications

During your orientation you will be introduced to your Employment Counselor. The ERC staff will conduct an employment assessment, which will be utilized to assist you in your efforts to secure employment. In addition to an individual assessment, the ERC conducts Pre-Employment Classes. These classes begin at 9:00 AM on the first Monday following your arrival.

You must secure your birth certificate, social security card and PA State ID prior to securing employment. You will be required to secure and maintain full-time employment or educational courses within 30 days after orientation has been completed. ERC staff will monitor your daily job search activities closely. Full-time employment is considered 35-40 hours per week, and must be maintained throughout your stay at Kintock. The following employment restrictions apply to all reentrants of Kintock:

- No reentrant may work at a business located outside of the five-county area (Philadelphia County, Bucks County, Delaware County, Montgomery County, and Chester County) or out-of-state without special written permission by the Department of Corrections and/or Pennsylvania State Parole.
- Employment may not interfere with counseling/programming sessions.
• Employment may not interfere with community service.
• Reentrants need written travel permission, signed by their Parole Agent and copied to the Employment Counselor, to travel outside of Philadelphia County for work, school or for a job search.

JOB SEARCH PROCEDURES

Job Search Request Forms are kept in the bins located next to Control Booth 2. All Job Search Requests must be submitted to the ERC staff by 10:00AM on the day before you wish to search for employment. You may job search between the hours of 8:00 am-3:00 pm. Not everyone will automatically receive a daily Job Search Request for the maximum allotted time. The amount of authorized hours out of the facility will be determined according to the distance you will travel and the number of employers you plan to visit. You are encouraged to job search in one particular area to maximize your time while on job search. You will not be permitted to “county hop” while on a job search (i.e. job searching in Bucks County and Philadelphia on one Job Search Request).

Each job search location is contacted by ERC staff to ensure that they are hiring or accepting applications. In addition, the ERC staff and the Operations staff will enforce that all reentrants signing out on a job search pass are wearing proper attire.

When you return from a job search, the ERC will collect documentation, such as applications and business cards, from reentrants to ensure that you traveled to your approved locations. The ERC will also assist reentrants with employer calls/follow-up calls on a daily basis in an effort to help reentrants who do not have the means to do so.

If you have other mandated appointments beyond your control, such as Community Service, Drug/Alcohol Treatment or medical appointments, you may be permitted to job search at the discretion of the ERC staff, beyond the regular job search time frame. However, job searches will generally not be approved after 12:00 pm.

Reentrants serving disciplinary restriction may only travel to one job site location daily until the restriction expires.

If you receive an incident report for a major accountability infraction relating to employment or job search passes, all employment related passes, including job search passes can be pulled for up to one week.

If you have a job search request denied, the reason(s) for the denial will clearly be stated on the Job Search Request in the “Denied Passes” book located in the Front Control Booth.
EMPLOYMENT CRITERIA

Notification of Legal Status - Once an offer of employment has been made, you must disclose your custody status to your employer. The ERC staff will instruct you on the proper method of discussing this issue, including the advantages of hiring reentrants of the Kintock Group. The Department of Corrections/Parole and The Kintock Group have established certain environments or situations in which you may not work. They are as follows:

- Places where illegal activities are occurring or are likely to occur;
- Places in which a family member either employs you or directly supervises you;
- Telemarketing positions that require you to have access to personal information such as social security numbers, credit card numbers, etc.;
- Positions that require you to supervise another Kintock reentrant;
- Positions that may present a third party liability (i.e. security positions, health care);
- Positions that require you to work with children.
- Positions that pay less than minimum wage, when tips are not collected.
- SELF-EMPLOYMENT IS PROHIBITED.

To meet Kintock’s employment criteria, you must comply with the following rules:

- If your work schedules vary, your employer must submit weekly work schedules signed and dated by your supervisor. All schedules must be either called in by the supervisor or faxed by 12:00 PM every Friday.
- Employment passes are given up to a maximum of 16 hours per/day, and this period of time includes travel time to and from the work site.
- Your specific whereabouts must be known during normal working hours. The Kintock staff must be able to contact you and/or receive a response from you within a 15 minute time frame. If you must leave your work site for any reason, you must first contact the facility to inform staff. Your movement will be documented in the daily log.
- Overtime must be requested on your behalf by your supervisor. ERC staff can be contacted during normal working hours (8:30 AM - 5:00 PM). Weekend overtime requests must be made by your supervisor by 12:00 PM on Fridays. Reentrants serving a restriction cannot work overtime.
- All employers must provide proper (legal) documentation of your earnings and pay you by check with a pay stub that shows taxes withheld, hours worked, pay period end date, rate of pay, hours worked, check date, and the official name of the company.
- For those in the construction field, your job must be with a well-established company that has an office that staff can visit. Kintock staff must also be aware of all job sites you will be working at and be able to contact you within 15 minutes at any job site.
You may work in an establishment that has a liquor license provided that alcoholic beverages are not the primary items offered for consumers and that you are not dispensing or serving alcohol to customers.

Employers must have workers compensation.

Reentrants may not ask their employers for loans or advancements.

Overnight positions must be approved by the Program Director. If you receive incident reports due to accountability violations while working a 3rd shift position, you may be pulled from that job.

MAINTAINING EMPLOYMENT

When you have been offered a job and your employment meets all of the above criteria, ERC staff will contact your employer by telephone to verify all pertinent information and make certain that your employer is aware of your legal status. Staff will also request that your employer complete and return an Intent to Hire form. This form must be on file at Kintock before you begin training or working. Periodically, Kintock staff will make telephone contact with you and your employer to evaluate your job performance and monitor attendance.

CHANGES IN EMPLOYMENT

You can not change your job without authorization from the ERC staff. If you are terminated or resign from your job, you must inform the appropriate staff immediately. Voluntary or involuntary termination will result in your forfeiting of social passes.

FINANCIAL OBLIGATION

FAILURE TO MEET YOUR FINANCIAL OBLIGATION AS DESCRIBED BELOW MAY RESULT IN LOSS OF EMPLOYMENT PRIVLEGES.

You MUST turn in a copy of your pay stub and a money order for 20% of your net earnings to Kintock every pay day. If you owe court costs and fines, you must turn in a copy of your pay stub and a money order for 30% of your net earnings (20% goes towards subsistence and 10% goes towards court costs and fines). All money orders and copies of pay stubs must be submitted to the Resident Supervisor in Control Booth #2, who will provide you with a receipt.

All money orders must be signed (true name) and include the reentrant's DOC number (please list commitment name under the DOC number if it is different from your true name).

The following regulations apply to all reentrants:

Money orders and pay stubs need to be turned in on the date you receive your paycheck. The Resident Supervisor collecting the check will give you a receipt for the amount of the money order.
You are required to **contribute 20% of your net earned income for subsistence (rent).** This applies only to wages earned (i.e., employment).

You are required to **contribute 10% of your net earned income towards your Fines and Costs, if applicable.**

Kintock follows the Department of Correction's policy regarding reentrant funds, including disbursement of funds, and has established procedures to ensure that reentrant funds are disbursed in a proper and orderly fashion and in compliance with regularly accepted principles of accounting.

Some reentrants may be eligible for a DOC Rent Exemption. In order to submit a rent exemption, you must provide your Case Manager or Employment Counselor with your most recent paystub. All rent exemptions must be approved by the Contract Facility Coordinator at DOC.

**NOTE:** You may not have more than $200.00 in your possession without written authorization by your Case Manager, which identifies the purpose for the excess cash.

Limited petty cash is available for those reentrants who are unable to afford essentials. Any financial transactions between reentrants and staff, or reentrants and volunteers must be approved by the Program Director.

**Acceptable Form of Wages**

1. You **may not** ask your employer for loans or advancements.
2. You need to be paid by payroll check with a payroll stub, which indicates all payroll taxes deducted and hours worked, unless prior authorization has been granted.
3. If you are paid by company check (not including payroll check) it needs to be initially accompanied by a letter from the employer's Certified Public Accountant indicating that payroll tax deductions are being made.

**No Social or Furlough Passes will be approved until subsistence has been submitted.**

**COMMISSARY**

You will be able to purchase items from CBM utilizing the kiosks installed in the facility. Items approved include certain food items, cosmetics, clothing, and entertainment items. You will use your Department of Corrections ID number as your username and will be able to choose your own password. Orders submitted prior to Sunday at 11:00 PM will arrive on Thursday of that week. Orders placed after the cutoff will arrive during the following week. During distribution, you will review your receipt and look through the package. If there are no disputes, you will sign and date the receipt. If there are any disputes regarding the order, you must clearly write the dispute on the receipt. The staff member will turn this into the Program Director or designee for investigation and you will be notified about the outcome of the investigation. You, a family member or friend may add funds to your CBM Reentrant Account (Commissary) via the Jail ATM machine in the lobby. All cash or credit card deposits uploaded via the lobby ATM will be
subjected to a $3.25 fee, which will be deducted each time an amount is added to your account. You, family members and friends are also able to add funds or order commissary items on the kiosks by visiting the website: www.JailATM.com. Funds added to the JailATM.com site directly will not be charged the $3.25 fee.

ALCOHOL AND OTHER DRUG/MENTAL HEALTH TREATMENT REQUIREMENTS

During your initial orientation into the program, your Case Manager will inform you if you have a drug/alcohol, mental health, violence prevention or other aftercare stipulations and the requirement you will be mandated to fulfill to address your obligation. In addition to in-house programming that you may be responsible for attending, you may also be required to participate in outpatient treatment. All reentrants that are required, as a condition of their parole, to attend outpatient treatment will be referred to do so.

Please keep in mind that you cannot be released to your home plan without a Mental Health, Domestic Violence or Drug and Alcohol evaluation, if stipulated.

DRUG AND ALCOHOL TESTING/URINE MONITORING

The use of illegal drugs and any alcohol (including mouthwash, cough syrup, unauthorized over-the-counter or prescription medication, and any food or candy that contains alcohol) on or off the facility premises is strictly prohibited. A positive urine or alcohol test will result in disciplinary sanctions, including possible termination from the program. All reentrants will be tested for drug and alcohol use on a random basis at intervals mandated by the Department of Corrections and Parole. Both Kintock staff and Parole staff can require urinalysis testing at any time. After you have been requested to submit a urinalysis or breathalyzer test, you must stay inside the designated area, within sight of staff until you are able to produce a urine or breathalyzer. The consumption of food or drink (except water) is prohibited until the urine or alcohol sample has been submitted. Additionally, if a staff member suspects that you have been using drugs or alcohol, he or she will require that you undergo a urine test and/or a breathalyzer test. Failure to submit to testing within the required time frames will be considered a stall, and will be treated as a positive and may result in a disciplinary action.

Poppy Seeds
You are strictly prohibited from consuming poppy seeds at any time. Consumption of poppy seeds is not a valid reason for a positive urine specimen.

SELF HELP MEETINGS (NA/ AA, etc.)

Prior to being permitted to attend meetings outside of the facility, you will be required to be enrolled in outpatient drug/alcohol treatment, provide a letter or treatment plan from your Drug and Alcohol treatment provider noting the need for NA/AA meetings and you must show that you have been consistently attending the 12-step meetings held every week inside the facility for a minimum of 30-days. Attendance at any approved outside meetings will be strictly monitored. You will be required to have the chair of your self-help group sign an attendance form which
must be submitted to your Case Manager weekly. Guest speakers chair self-help meetings weekly inside the facility.

AUTHORIZED ABSENCES FROM THE FACILITY

All requests for leaving the facility must be coordinated and approved by your Case Manager, Employment Counselor, Senior Case Manager or Director. All Daily Activity Passes must be turned in to your Case Manager no later than 12:00 PM the day before you wish to use the pass. Weekend passes and Monday passes must be turned in by 12:00 PM on Thursday.

The Daily Activity Pass will indicate the authorized time of departure, curfew, address, telephone number, contact person, etc. Your signature validates that the information contained on the pass is correct and accurate. The Resident Supervisor in Control Booth #1 verifies this information prior to allowing you to sign out of the facility for accountability purposes.

You may sign out of the facility during authorized times only, to the location(s) which have been pre-approved by your Case Manager or Employment Counselor. Please do not attempt to sign out early. Staff working in the control booth will sign one reentrant out of the facility at a time. Please wait in line patiently until staff calls you up to the sign out window. For safety and security purposes, once you have signed out, you must physically leave the facility. Every time you enter or leave the facility you must sign in or out. During your orientation, staff will instruct you how to properly sign in and out using your Kintock ID card. You must not leave the facility until Operations staff reviews, signs and approves for you to leave. Leaving the facility before this process is complete is technically an escape, which will lead to disciplinary action.

You must sign back in to the facility as soon as you return, every time you return. You are required to clear the metal detector with your shoes removed, submit to a pat search and also submit to a breathalyzer test every time you return to the facility. Each time you sign out of the facility, it must be on a new pass. Returning to the facility later than the time indicated on the pass will be noted, and may be grounds for disciplinary actions. It is your responsibility to make sure that you are aware of your curfew time prior to leaving the facility.

If you must leave your approved site because of circumstances beyond your control, or if you may be late in returning to the facility, it is imperative that you notify Kintock staff to receive permission for a change of location or extension of your curfew time. Failure to do so will result in disciplinary action.

SOCIAL PASSES: Eligibility for social passes is determined through the Phase System. During your intake your Case Manager will review the Phase System (See page 20 for details). Each Case Manager has specific pass times for social passes. These times are posted throughout the facility.

You will not be authorized for extended social passes until specific criteria have been met and certain goals achieved.

Once you are eligible for social passes, staff will make random telephone calls to your pass site at any time of the day or night. You are required to accept telephone calls from facility staff to
verify your presence at your pass site. Failure to be present at your pass site will result in disciplinary action. REE NTRANT GRIEVANCE PROCEDURE

If you feel you have been dealt with unfairly or in an unjust manner you have the opportunity to file a grievance if informal resolutions have been attempted but failed. Grievances may include, but are not limited to, access to court, mail/correspondence, sexual harassment, discrimination, protection from harm, access to services/healthcare. In compliance with PREA standards, issues concerning sexual assault, sexual harassment, “consensual sex” with employees and inmate-inmate sexual assault will be handled independent of the grievance system. Reentrants are permitted to report these issues through the grievance system, but all grievances alleging sexual abuse or sexual assault shall be considered an emergency grievance and will be immediately reported to the contactor/investigative agency (see PREA Administrative Remedy Section below for further detail). Reentrants can also utilize the WOAR hotline or can report the issue in-person to an employee.

Grievance forms are located in a marked mail box in the cafeteria, in your Case Manager’s office and in a marked mail box next to Control Booth #2. After you completely fill out the grievance form, please place it in the locked mail box marked “Grievances” next to the rear Case Manager’s door. Grievances will be collected each business day by the Program Director or Director of Operations.
Procedures for filing a grievance are as follows:

- Submit a statement on a Grievance Form outlining the incident and attempts at informal resolution to the appropriate Department Head. Please ensure that you submit the grievance to the appropriate staff person. Please refer below for the appropriate chain of command.
- Within five (5) business days the Department Head will meet with you and investigate the grievance. A written summary of this meeting and any subsequent information will be given you. You will be asked to sign the Grievance form and determine whether or not the occurrence has been resolved.
- If you are not satisfied after the written summary is received, you may resubmit the same grievance to the next level of management (i.e. Program Director, Director of Operations, etc.) within five (5) business days. The staff person will review the grievance and the decision made by the Department Head and will meet with you within five (5) business days. At this point you will be informed of the decision and will be asked to document whether or not the grievance has been resolved.
- The Site Administrator will review all unresolved resolutions. You will be informed of the outcome of the review within 7 business days.
- At this point, if you feel your issue still has not been properly resolved, you may contact either the PA DOC or your Parole Agent.

Follow this Chain of Command relating to the area of your grievance:

Administrative Remedies (PREA)

a) A time limit shall not be imposed when a reentrant may submit a grievance regarding an allegation of sexual abuse and all grievances alleging sexual abuse or sexual assault shall be considered an emergency grievance alleging that a reentrant is subject to a substantial risk of imminent sexual abuse and immediately reported to the contactor/investigative agency.

b) Otherwise-applicable time limits may apply on any portion of a grievance that does not allege an incident of sexual abuse.

c) Reenants are not required to use any informal grievance process, or to otherwise attempt to resolve with staff, an alleged incident of sexual abuse.

d) The company has the ability to defend against a lawsuit filed by a reentrant on the ground that the applicable statute of limitations has expired.

e) A reentrant who alleges sexual abuse may submit a grievance without submitting it to a staff member who is the subject of the complaint, and

f) Such grievance is not referred to a staff member who is the subject of the complaint.
g) Kintock shall forward all grievances to the appropriate contractor and investigative agency.

h) Kintock shall provide an initial response within 48 hours. The initial response and final agency decision shall document the agency’s determination whether the reentrant is in substantial risk of imminent sexual abuse and the action taken in response to the emergency grievance. Whenever possible and upon receipt of final decision, it will be shared with the victim on the merits of any portion of a grievance alleging sexual abuse.

i) The investigative agency may claim an extension of time to respond, of up to 70 days, if the normal time period for response is insufficient to make an appropriate decision. Kintock shall notify the reentrant in writing of any such extension and provide a date by which a decision will be made if available.

j) Third parties, including fellow reenrents, staff members, family members, attorneys, and outside advocates, shall be permitted to assist reenrents in filing requests for administrative remedies relating to allegations of sexual abuse, and shall also be permitted to file such requests on behalf of reenrents.

k) If a third party files such a request on behalf of a reentrant, the facility may require as a condition of processing the request that the alleged victim agree to have the request filed on his or her behalf, and may also require the alleged victim to personally pursue any subsequent steps in the administrative remedy process.

l) If the reentrant declines to have the request processed on his or her behalf, Kintock shall document the reentrant’s decision.

m) Kintock may discipline a reentrant for filing a grievance related to alleged sexual abuse only where the agency demonstrates that the reentrant filed the grievance in bad faith.

PRISON RAPE ELIMINATION ACT (PREA)

The Kintock Group does not condone nor tolerate any type of sexual misconduct, sexual assault, consensual sexual contact, sexual abuse, rape and/or harassment toward any reenrent(s). The Kintock Group will pursue any complaints, suspicions, or criminal acts of sexual misconduct up to and including prosecution.

This facility has a zero tolerance policy against sexual assault/sexual harassment. Sexual assault can occur to anyone and can occur physically or verbally. Physical sexual abuse occurs when a person physically touches or tries to touch another person’s private parts; either on top or under the cloths. Verbal sexual abuse occurs when a person verbally threatens to touch the private parts of another person. Private parts include the penis, vagina, inner thigh, buttocks or breasts/chest.

Reenrents may confidentially disclose incidents of sexual misconduct, sexual assault, consensual sexual contact, sexual abuse, rape and/or harassment to any staff either verbally or in writing. Reenrents can also report issues by calling WOAR 24/7 Sexual Abuse Hotline at (215) 985-3333. Incidents can also be reported by utilizing the grievance box. ALL persons are expected to immediately report any sexual assault, even if the assault happens to another person. Reporting parties are permitted to remain anonymous.

Reporting sexual assault/sexual harassment is a serious allegation and will be investigated. Anyone who sexually assaults another person will face criminal charges. All information will be confidential. Retaliation against a victim or the person who reports the assault will not be tolerated. False reporting of a sexual assault will have consequences.
