

## A Day's Schedule at...

### **Lehigh County CCJ**

Reentrants sign out of the facility Monday through Friday between 0730 and 0800 hours (7:30 to 8 am) and return at 1700 or 1730 hours (5 to 5:30 pm).

During this time period, they are expected to look for employment. The first two weeks, no signatures from employers are required. If, after this two-week time period, they have not obtained employment, they are required to return to the facility with six signatures from possible employers each day. If they don't obtain employment in two additional weeks, they are required to return to the facility with 12 signatures each day until they obtain employment. After reentrants gain employment, they are authorized to have 2.5 hours of travel time to work, and 2.5 hours of travel time to return to the facility.

All reentrants are granted six-hour passes on Saturdays and Sundays. If they do not receive any "informals" for 14 days, they can request an increase in their passes. Their passes are increased two hours every two weeks until they reach 12 hours.
