

## A Day's Schedule at...

### **Pittsburgh CCC**

Reentrants are able to leave the center at 9 am to start personal time/free time. If a person is not employed, the reentrant must be back by 5pm. If employed, they must return by 9 pm.

The daily work schedule dictates a reentrant's return time for that day. If a person leaves for work at 6 am, the curfew for that day will be 8 pm. During the day, a person can go anywhere within the county, but the reentrant is not allowed to leave the county without written permission.

Each person is allowed two sign outs per day so the person may come back to the center to eat/change clothes/ shower, etc. If the reentrant is on an Enhanced Support schedule, they may only attend scheduled activities with leave and return times scheduled by their counselor.
