However, these limitations are not applicable to medical staff and are not applicable between inmates.** (28 C.F.R. §115.15[d])

Staff are required to observe inmates in all locations of the facility to ensure their sexual safety and deter incidents of sexual abuse.  - d. when an opposite gender staff member, contractor, or volunteer is entering a housing unit and it is unknown to him/her whether the opposite gender announcement has been made on his or her behalf, the entering staff member shall announce his/her presence. However, this requirement shall not be understood to excuse any staff person from making announcements consistent with local procedures developed by the facility.
7. Staff shall be trained in how to conduct cross-gender pat searches, and in searches of transgender and intersex inmates, in a professional and respectful manner, and in the least intrusive manner possible, consistent with security needs and Department policies **6.3.1, Section 30** and **8.3.1, Section 30.  - b. upon receipt into another facility;
 - c. 20-30 days after receipt into a State Correctional Institution (SCI), Community Corrections Center (CCC), or Community Contract Facility (CCF);

 - e. at his/her annual review, for risk of being sexually abused by other inmates or sexually abusive toward other inmates. **(28 C.F.R. §115.41[a])**
2. The information received through the administration of the **PRAT** questions shall be used to inform housing, bed placement, work, education, and program assignments with the goal of keeping separate those inmates at high risk for being sexually victimized from those at high risk of being sexually abusive. **(28 C.F.R. §115.42[a])** The sensitive information collected through these tools shall be kept as confidential as possible so as not to be used to the inmate's detriment by staff or other inmates. **(28 C.F.R. §115.41[i])**
3. The PREA Risk Assessments shall be conducted utilizing the **PRAT**. The tool shall be an objective screening instrument and consider, at a minimum, the following criteria to assess inmates for risk of sexual victimization or abusiveness: **(28 C.F.R. §115.41[c][d])**
 - a. whether the inmate has a mental, physical, or developmental disability; **(28 C.F.R. §115.41[d][1])**

 - j. whether the inmate is detained solely for civil immigration purposes. **(28 C.F.R. §115.41[d][10])**
4. The initial assessment, which is to be conducted within 72 hours of reception, shall consider prior acts of abuse, prior convictions for violent offenses, and history of prior facility violence or sexual abuse, as known to the Department, in order to assess inmates for the risk of being sexually abusive. **(28 C.F.R. §115.41[b][e])**
 5. CCFs may utilize the **PRAT** or a different agency-specific tool that meets PREA standards. The **PRAT** information and scores should only be shared with designated staff and stored in a secure location. The tool must be made available for review upon request by the Department of Corrections (DOC) and adequate records kept for assessment of audit compliance.
 6. The **PRAT** shall be administered as follows.
 - a. The **PRAT** shall be completed in the WebTAS system in all Department sites. If staff use the paper format of any assessment to collect information, it must be entered into the WebTAS system as soon as an inmate has been assigned a number and is available in the WebTAS system for entry. The paper copy of the assessment(s) shall be shredded upon entry into the WebTAS system. Until the form is entered into WebTAS, the facility shall ensure that the results are not shared with parties for unrelated purposes and are immediately available to inform appropriate placement in housing, bed placement, education, work, and programming assignments.
 - b. All staff responsible for administering the **PRAT** shall receive training on its administration. This training may be facilitated by any staff member who has completed **PRAT** training conducted by the PREA Coordinator/designee.

- e. A reassessment shall be conducted by the inmate's assigned counselor between calendar day 20 and 30 of every inmate's arrival in the system or receipt into another facility utilizing the **PRAT**. **(28 C.F.R. §115.41[f])** The assigned counselor will be responsible for monitoring those inmates that are in need of a **PRAT** reassessment between 20-30 calendar days following their reception to the facility and ensuring it is completed. Additionally, the counselor shall reassess the inmate's risk of victimization or abusiveness based upon any additional, relevant information received by the facility staff since the intake screening. **(28 C.F.R. §115.41[g])**
- f. Reassessments shall not be completed prior to calendar day 20 nor later than calendar day 30, following an inmate's reception to the facility. Any assessment conducted outside this time period in conjunction with an annual review shall not satisfy the requirement for this assessment.
- g. Any inmate who reports sexual victimization during the administration of a **PRAT** should be asked to voluntarily provide details to determine whether a sexual abuse investigation is warranted or to trigger notification of alleged sexual abuse to another confinement facility. Those details should include:

- i. Every inmate shall be reassessed at the annual review conducted by his/her counselor utilizing the **PRAT**.
- j. An inmate's risk level shall be reassessed by the PREA Compliance Manager (PCM), utilizing the **PRAT**, when warranted due to a referral, request, incident of sexual abuse, or receipt of additional information that bears on the inmate's risk of victimization or abusiveness. **(28 C.F.R. §115.41[g])**
- k. Inmates shall not be disciplined for refusing to answer, or for not disclosing complete information in response to the questions regarding prior victimization, disabilities, their perception of vulnerability, or their sexual orientation. **(28 C.F.R. §115.41[h])**

- l. If an inmate refuses to answer the **PRAT** questions, the staff member administering the tool shall discuss with the inmate the purpose of answering the questions for safety purposes. If the inmate continues to refuse to answer the **PRAT** questions, the staff member administering the tool shall document that the inmate refused to answer the questions and respond to those questions which can be answered with file information.
 - m. Upon completion of the **PRAT**, neither the assessment scores nor the risk category shall be disclosed to the assessed inmate.
7. **PRAT** procedures specific to Bureau of Community Corrections (BCC) facilities
- a. When there is an allegation of sexual abuse in CCCs and CCFs, a trained counselor shall administer the **PRAT** to all involved reentrants within five working days of the allegation being made.
 - b. When a reentrant remains at a single CCC/CCF for one year or longer, the reentrant shall be reassessed. This reassessment shall occur during the anniversary month of admission.
8. Tracking **PRAT** Scores – SCIs
- a. Upon completion of the **PRAT**, in SCIs, if an inmate scores in the “high risk” category, this information shall be immediately entered into the Unit Management System, under Security Concerns. No actual **PRAT** scores are to be entered due to confidentiality.
 - (1) If High Risk for Victimization, “Potential Sexual Assault Victim” checkbox shall be selected and comments entered as “PRAT High Risk Victim.”
 - (2) If High Risk for Abuser, “Institutional Sexual Predator” checkbox shall be selected and comments entered as “PRAT High Risk Abuser.”
 - (3) If High Risk for both Victim and Abuser, both corresponding checkboxes shall be selected and comments entered as “PRAT High Risk Victim/Abuser.”
- NOTE:** The facility sexual predator procedures as outlined in Department policy **11.2.1, “Reception and Classification,” Section 5** do not apply to those inmates entered ONLY due to **PRAT** assessment score. These inmates should not be Z and H coded or overridden to a higher custody level unless additional information indicates a need and staffing has been completed to approve such.
- b. For any identified facility sexual predators, refer to Department policy **11.2.1, Section 5**, for appropriate custody level and program code assignment. In addition, a mental health evaluation will be conducted on these abusers within 60 days of learning of

such abuse history and offered treatment when deemed appropriate by mental health practitioners. **(28 C.F.R. §115.83[h])**

- c. The Department shall make individualized determinations to ensure the safety of each inmate. **(28 C.F.R. §115.42[b])**

10. Screening for Risk of Victimization and Abusiveness – Lockups

- a. Department Lockup facilities are not utilized to house detainees overnight and a formal screening tool is not required by the PREA standards.
- b. When it is necessary to hold a detainee in a holding cell with another detainee, staff shall consider, whether, based on the information before them, a detainee may be at high risk of being sexually abused and, when appropriate, shall take necessary steps to mitigate any such danger to the detainee. **(28 C.F.R. §115.141[a])**
- c. To aid in making such a determination, an abbreviated screening tool, the **PREA Detainee Screening Tool (PDST) (Attachment 9-C)**, shall be administered to determine the risk of a detainee being sexually abused by or sexually abusive towards another detainee. The **PDST** shall consider:
 - (1) whether the detainee has a mental, physical, or developmental disability; **(28 C.F.R. §115.141[d][1])**
 - (2) the age of the detainee; **(28 C.F.R. §115.141[d][2])**
 - (3) the physical build and appearance of the detainee; **(28 C.F.R. §115.141[d][3])**
 - (4) whether the detainee has previously been incarcerated; and **(28 C.F.R. §115.141[d][4])**

Section 9 – Sexual Abuse/Sexual Harassment Prevention – Screening for Risk of Victimization and Abusiveness

being sexually abused and being sexually abusive by asking each detainee the questions contained on the **PDST** and scoring the applicable responses on the form.

- b. Upon completion of the **PDST**, utilizing the information gathered through the **PDST** and all information before them, staff shall consider, whether the detainee may be at high risk of being sexually abusive or sexually abused and, when appropriate, shall take necessary steps to mitigate any such danger to the detainee. **(28 C.F.R. §115.141[a])**

- c. When detainees identified at high risk of abusiveness or victimization must be held in a holding cell with another detainee, staff shall provide such detainees with heightened protection to include continuous direct sight and sound supervision, single-cell housing, or placement in a cell actively monitored on video surveillance by a staff member sufficiently proximate to intervene, unless no such option is determined to be feasible. **(28 C.F.R. §115.113[d])**

POLICY STATEMENT

The Prison Rape Elimination Act (PREA) Standards were enacted into law in 2003 to study and address prison sexual violence. Sexual abuse is against the law. The concept of “zero tolerance” is the foundation of the PREA Standards. Zero tolerance means that no sexual abuse or sexual harassment is tolerated, including abuse by inmates and by staff. **(28 C.F.R. §115.32[b])**

UNDERSTANDING CONSENT

Sexual abuse happens when consent is not given freely such as when sexual favors are provided in exchange for commissary or protection, someone is manipulated, threatened, or intimidated into a sexual act or a threat or attempt of or physical violence is used.

If someone is engaging in a “relationship” with someone, it does not mean that they are agreeing to sexual acts with that person or any other person. Even if someone has agreed to sexual acts previously, it does not mean that they are agreeing in the future. Anyone can stop or change their mind during a sexual act. If this happens, both parties should stop.

WHAT TO DO IF YOU HAVE BEEN SEXUALLY ABUSED

After being sexually abused, it can be difficult to know what to do or feel. It is normal to have a lot of different feelings. It is important to know that this is not your fault and you are not alone. But, there are a few things you can do after being sexually abused to be safe.

1. Tell any staff member as soon as possible to immediately report the incident and maximize the potential for preservation of evidence.
2. Although it may be difficult, seek medical attention **BEFORE** you shower, eat, drink, change clothing, brush your teeth, or use the bathroom. This is to preserve evidence.
3. Save any other evidence of the abuse.
4. Give as much information as possible to the questions you are asked. Share any concerns for your safety with staff, including threats of retaliation.
5. Use outside rape crisis center services for counseling and support.

Si se detecta que algún recluso, empleado, contratista o voluntario del Departamento ha perpetuado abuso o acoso sexual hacia algún recluso, será sujeto a acciones y/o sanciones disciplinarias, incluida la cancelación o revocación de contratos y servicios. Una declaración de consentimiento no se aceptará como defensa a favor de la perpetración del abuso o acoso en contra de un recluso.

¿QUÉ ES EL ABUSO SEXUAL?

El abuso sexual, definido por los estándares nacionales para prevenir, detectar y actuar en caso de violación dentro de una prisión, incluye el abuso sexual por parte de un recluso a otro detenido o residente; el abuso a un recluso, detenido o residente por parte de un miembro del personal, un contratista o un voluntario.

1. El abuso sexual en contra de un recluso, detenido o residente por parte de otra persona en la misma calidad incluye cualquiera de los siguientes actos. Se considera un abuso en el caso que la víctima no dé su consentimiento, sea forzada bajo amenaza o violencia o sea incapaz de otorgar su consentimiento o rechazo:
 - a. Contacto entre el pene y la vulva o el pene y el recto en el que exista penetración aunque dicho contacto sea ligero;
 - b. Contacto entre la boca y el pene, la vulva o el recto;
 - c. Penetración por el orificio anal o genital de otra persona con la mano, dedo, objeto u otro instrumento aunque dicha penetración sea ligera.
 - d. Cualquier otro contacto intencional (ya sea directo o a través de la ropa) de los órganos genitales, recto, ingles, muslos internos y/o glúteos, excluyendo el contacto accidental como resultado de un altercado físico.
2. El abuso sexual en contra de un recluso, detenido o residente por parte de algún miembro del personal, contratista o voluntario incluye cualquiera de los siguientes actos con o sin consentimiento del recluso, detenido o residente:

Cualquier otro contacto intencional (ya sea directo o a través de la ropa) de o con los genitales, recto, ingles, senos, muslo interior o glúteos sin relación a alguna función oficial o en donde el miembro del personal, contratista o voluntario tiene la intención de abusar, estimular o satisfacer su deseo sexual;
 - f. Cualquier intento, amenaza o petición por parte de un miembro del personal, contratista o voluntario para participar en las actividades descritas en los párrafos antes mencionados (a)-(e) de esta sección.
 - g. Cualquier exposición por parte de un miembro del personal, contratista o voluntario de sus genitales, glúteos o senos en presencia de un recluso y;
 - h. Voyerismo por parte de un miembro del personal, contratista o voluntario.

El acoso sexual, definido por los estándares nacionales para prevenir, detectar y actuar en caso de violación dentro de una prisión

1. Insinuaciones sexuales frecuentes e indeseadas, petición de favores sexuales o comentarios verbales, gestos o acciones despectivas u ofensivas de naturaleza sexual, por parte de un recluso, detenido, residente hacia otro;
2. Constantes comentarios verbales o gestos de naturaleza sexual a un recluso, detenido o residente por parte de un miembro del personal, contratista o voluntario entre los que se incluyen referencias despectivas al género, comentarios sexuales sugestivos o despreciativos acerca del cuerpo/ropa y/o lenguaje o gestos obscenos.

CÓMO ENTENDER EL CONSENTIMIENTO

El abuso sexual sucede cuando no se da consentimiento, por ejemplo con favores sexuales que se intercambien en favor de bienes o protección, cuando alguien es manipulado, amenazado o intimidado para tener un encuentro sexual, o cuando una persona es amenazada y se utiliza violencia física.

El hecho de que una persona se encuentra en una “relación” con otra no quiere decir que ambas partes estén de acuerdo a perpetuar actos sexuales con dicha persona u otras personas. Incluso, si alguien ha accedido previamente a un acto sexual, esto no quiere decir que sigue estando de acuerdo en el futuro. Cualquier persona puede detenerse o cambiar de opinión durante un acto sexual. Si esto sucede, ambas partes deben suspender la actividad.

¿QUÉ HACER EN CASO DE HABER SIDO VÍCTIMA DE UN ABUSO O ACOSO SEXUAL?

Resulta difícil saber qué hacer o sentir después de haber sufrido un abuso sexual. Es normal tener muchos sentimientos distintos. Es importante saber que no es su culpa y que no se encuentra solo/a. Sin embargo, existen algunas cosas que puede hacer para estar seguro/a después del abuso.

1. Reporte lo antes posible a cualquier miembro del personal el incidente para maximizar el potencial de la preservación de la evidencia.
2. A pesar de que pueda ser difícil, busque atención médica **ANTES** de bañarse, ingerir alimentos, tomar algún líquido, cambiar de ropa, cepillarse los dientes o usar el sanitario. Lo anterior es para preservar cualquier evidencia.
3. Guarde cualquier otra evidencia del abuso.
4. Provea tanta información como le sea posible a las preguntas que se le realicen. Comparta con el personal cualquier duda, preocupación o amenazas de represalia sobre su seguridad.
5. Acérquese a los servicios de centros externos de crisis en violaciones para consejo y apoyo.

Las víctimas de abusos sexuales tienen acceso a servicios de apoyo sin costo alguno. Escriba a:

 - (6) In the event the inmate reports that he/she is being victimized, the LPM/designee shall:
 - i. secure the inmate's signature on the **DC-484, Mental Health Confidentiality Disclosure Statement** (refer to Department policy **13.8.1, "Access to Mental Health Care"**);

 - (1) If a clear relationship dynamic exists which enables an involved reentrant to exert influence, this notification shall include any information indicative of coerced sexual activity.
 - (2) BCC Investigative staff shall make contact with any potential victim within 72 hours of receiving this report and determine whether evidence of coerced sexual activity is present.

9. The credibility of an alleged victim, suspect, or witness shall be assessed on an individual basis and shall not be determined by the person’s status as an inmate or staff.
