

IMPORTANT HEALTH INFORMATION

COVID-19

Medical's approach to handling this pandemic

Screening and Quarantine:

- All staff and inmates are screened before entering the institution. Inmates who arrive at Camp Hill are placed on a 14 day quarantine where daily they will have their temperature checked and asked if they are experiencing flu or Covid-like symptoms.
- Inmates are screened when they arrive and depart Camp Hill to include those arriving from the county to those transferring to other SCIs, maxing out, paroling, and leaving for writ.
- Segregation/quarantine, minimum of 14 days, for inmates upon arrival to Camp Hill.
- Segregation/quarantine, minimum of 14 days, for inmates discharged from an ER, hospital and/or any procedure completed at an outside hospital or specialized offsite doctor's office.
- Segregation/quarantine, minimum of 14 days for those returning from writ/court.

NO CHARGE for sick line visit for flu or Covid like symptoms:

- If you are experiencing flu or Covid like symptoms such as fever, coughing, shortness of breath, fatigue, diffuse muscle aches, headache, runny nose, sore throat, diarrhea, please notify a staff member asap (security and/or medical). You will NOT be charged for this type of medical visit/assessment. As always, you can place a sick call slip in immediately to be evaluated but we prefer and in fact encourage we be notified the same day you experience symptoms. Once assessed, the provider will determine if Covid testing is warranted as this is determined on a case by case basis. No charge for Covid testing.

REPEAT:

- Inmate medical co-pays have been waived for influenza like or Covid-like illnesses during this pandemic.
- If you are experiencing any influenza or Covid-like symptoms, please report this to the housing unit staff ASAP. It is our intent to assess you the same day, otherwise sick line occurs Mon-Fri weekly and occasionally on a weekend.

On site and off site medical services:

- **Outside community provider services or appointments will be provided on an emergency/urgent basis only. However, as community facilities (hospitals and private practice) begin to lift their restrictions, appointments will be made at that provider's discretion and the institution's ability to transport.**
- **Upon notification, onsite provider services will be provided for an emergency/urgent situations.**
- **Certain onsite provider services may be provided dependent upon the facility's current level/phase.**

Masks:

- **Staff were issued several masks and are expected to wear their mask at all times.**
- **Inmates have been issued several masks and are expected to wear their mask outside of the cell and are encouraged to wear them at all times.**

General Good Practices:

- **Wash your hands often**
- **Do not touch your face**
- **Avoid sick people**
- **Wear your mask**
- **Social distancing = stand/walk/interact six feet apart from others**
- **Report any flu or Covid-like symptoms IMMEDIATELY to UNIT STAFF and or MEDICAL**
