Introduction

Instructions

- Inmate details how much may be made in one month (\$300-\$700) if the recipient does what the inmate tells them to do in order to smuggle drugs into the facility.
- Describes spraying entire greeting cards.
- Warns, "make sure that liquid don't touch your hands if it do make sure you wash your hands before you smoke cause it's like wet". (wet is when users soak cigarettes in PCP to get a high).

What you is about to read will help you being in about
\$300 to 700 a month only if you listen to me and do things the way
I need it done okay. first look up the following site www.spicetfuu.com
www.HoTBuzzaroma.com. Then may send you to other site But what
you looking for is something that is a liquid, it liquid (red) okay it's should
cost around 50 it may have some crazy names under them okay.
Don't not say nothing to Daddy about this, just had to let
you know that before I finish that letter okay. once you find it
order which ever one cost the less okay and let me know how much you
paid for it you cannot get in trouble for ordering this okay. once you
pick it up, it should come to your house about 7 to 14 days after you
order but once it's there go the store that sell greeting card and
buy like 5 of them make sure they don't have no plastic on the cards
and no ink will bleed once liquid hit them okay. Then put the liquid in
a spray bottle by it self don't put no cut on that liquid okay. spray the
whole cards down use all of it on just 2 cards front, back and middle
plus make sure that liquid don't touch your hands if it do make sure you wash
your hands before you smoke cause it's like wet you hear me make sure the
cards is nowhere around. The kids off one card after paying people to
make the shit I can be up about 500 in cash after sheets and road off
2 cards. Then you let me know what you want I was ~~thinking~~ thinking 70% 30%
or 60%/40% I know you going to say 60%/40% so that's what we'll do but
you will need to put that cash app on you, there plus another app on your
phone that will give you another number cause dudes will be given they folks
your number ~~so~~ so they can send you all the money and I can have them
going out your a number I have on my list that way nothing can link back
to me okay. Check up on all that then get back at me asap and make
sure Rita Hella at her sister for me asap and make sure down set up your
email account cause you can just email me letting me know you paid but
make we you tell me you don't say it but you say so I understand what you
talking about
