CLEAN LIKE YOU MEAN IT!

PCI offers a complete line of soaps and detergents. Most of these products come in both liquid and powder form and in a variety of sizes from 1-gallon jugs to 55-gallon drums. All cleaning products are produced in accordance with specific formulations and in compliance with recognized industry standards. Quality control is assured with routine inspection and product evaluations. Material Safety Data Sheets are available for each item upon request.

All Pennsylvania Correctional Industries customers can get assistance from a PCI Sales Representative or Customer Service Representative. These individuals provide detailed information on more than 2500 PCI products and services and can help in selecting the best solution for your business or organization, and can assist in placing orders. If you do not know your Sales Representative information, please use our Sales contact information to the right.

NEW PRODUCTS

Perfect-Pour Cleaners are a pre-measured single use application. The cleaners are packaged in pouches, which when combined with 5 gallons of water offer less waste and more accurate inventory control. From the 5 gallon container the user will syphon enough solution to fill a 16 or 32 ounce spray bottle and requires no further dilution. The cleaners and bottles are color coded to assist in proper distribution and use of the product.
