

# Inmate Visitation System (IVS)

Joining a Call as a Visitor

Using **Web Browser**

**Windows / MAC / Linux** Devices

**Zoom Visits**

Updated December 07, 2021

# Inmate Visitation System

- A PA DOC visitation participant may join the video visit 5 minutes before the scheduled start time. **If you attempt to join early, you will not be allowed to join the visit and may receive the message as below.**

- The video visit URL can be found in:
  - The automated confirmation email received when the visit was scheduled.
  - Within the inmate visitation system under the visitors account. The URL is listed under upcoming visits.

Upcoming Visits ( to join a Video Visit you may click Video Call URL )

Visit Datetime	Inmate Name	Inm No.	Participants	Visit Type	Location
12/17/2021 08:15 AM - 09:00 AM				Video Visit	 Video Call URL

# Inmate Visitation System

- Clicking the URL from email or from the IVS website will direct you to the Zoom Video Conferencing website (<https://zoom.us>) where you will select **Launch Meeting** to join the visit. The Meeting ID will automatically populate but you must enter your name or email address.

**Meeting ID and Password:** The meeting ID and password's are different for each Visitation

# Joining Visitation (Windows / MAC / Linux)

- Using Windows / MAC / Linux devices (**two options to join**)
  - Using Zoom Meeting App (download and install app)
  - Using Web Browser of the device

# Joining Visitation (Windows / MAC / Linux)

- Devices using Windows / MAC / Linux (Examples)
  - Laptop / Desktop
  - Mac Book
- What to do before my scheduled video visit?
  - Zoom Meeting Client Download and Installation for Windows
    - <https://support.zoom.us/hc/en-us/articles/201362033-Getting-started-on-Windows-and-macOS>
  - Zoom Meeting Client Download and Installation for macOS
    - <https://support.zoom.us/hc/en-us/articles/203020795-Installing-the-Zoom-application-on-macOS>
  - Zoom Meeting Client Download and Installation for Linux
    - <https://support.zoom.us/hc/en-us/articles/204206269-Installing-or-updating-Zoom-on-Linux>

# Joining Visitation – Mozilla Firefox

- Enter Visitation Join URL in the Mozilla Firefox web browser

The image illustrates the process of joining a Zoom meeting from a browser. It consists of several overlapping screenshots:

- Zoom Website:** The first screenshot shows the Zoom website with the "Launch Meeting" button highlighted in a red box. The text on the page says: "Click **Open link** on the dialog shown by your browser. If you don't see a dialog, click **Launch Meeting** below." Below this, it says "By clicking 'Launch Meeting', you agree to our [Terms of Service](#) and [Privacy Statement](#)".
- Permissions Dialog:** The second screenshot shows a browser dialog asking "Allow us06web.zoom.us to use your camera and microphone?". It lists "Integrated Webcam" and "Microphone (Realtek(R) Audio)". The "Allow" button is highlighted in a red box.
- Join Meeting Page:** The third screenshot shows the "Join Meeting" page. It has a "Your Name" field with "User Name" entered. Below it, there is a checked box for "Remember my name for future meetings" and a "Join" button. The text says: "By clicking 'Join', you agree to our [Terms of Services](#) and [Privacy Statement](#)".
- Windows Security Alert:** The fourth screenshot shows a "Windows Security Alert" dialog. It states: "Windows Defender Firewall has blocked some features of this app". It lists the app as "Name: Firefox, Publisher: Mozilla Corporation, Path: C:\program files\mozilla firefox\firefox.exe". There are checkboxes for "Private networks" and "Public networks". The "Allow access" button is highlighted in a red box.
- Recording Notification:** The fifth screenshot shows a notification: "This meeting is being recorded". It explains that the account owner can watch recordings and that participants can record locally. The "Got it" button is highlighted in a red box.
- Livestreaming Notification:** The sixth screenshot shows a notification: "This meeting is being livestreamed". It states that users can watch or share with others. The "Got it" button is highlighted in a red box.
